

**The City of Vaughan requires that this form be completed and attached to any application for building or demolition permit.**

Application number:

Permit number (if different):

Application Date:

Roll Number:

### Tree Protection By-Law 185-2007

*Subsection 3(1) of By-Law 185-2007 provides that:*

*No person shall, within the City's boundaries, injure or destroy any one (1) or more trees having a tree diameter of twenty (20) centimetres or more or having a base diameter of twenty (20) centimetres or more unless authorized by permit to do so pursuant to this by-law.*

*"Tree Diameter" is defined as:*

*The measurement of the diameter of the trunk of a tree from outside the bark 1.4 metres above existing grade of the ground adjoining its base or where there are multiple stems on a tree, means the total of the diameters of the three (3) largest stems measured approximately 140 centimetres above existing grade.*

Note: Enquiries or questions respecting the City's Tree By-Law should be directed to Parks and Forestry Operations at the Joint Operations Centre, 2800 Rutherford Road, Telephone: 905-832-8577.

### Declaration of Applicant (Applicant or Owner Listed on Permit Application Noted Above)

**Does the construction activity associated with the permit application contravene the provisions of By-Law 185-2007(referenced above)?**

No

Yes (attach copy of permit from Forestry Services)
