National Pollinator Week Mini Toolkit

Get Ready for Pollinator Week!

June 18-24, 2018

It's not too early to start thinking about how your company can get involved. Pollinators positively affect all our lives, supporting human health and ecosystems - let's SAVE and CELEBRATE them!

Become a leader in your industry by participating in National Pollinator Week! Engage your colleagues, customers, families, and community members this summer to show your commitment to sustainability.

Pollinator Week Activity Ideas

Your Company can get involved in many ways!

- Display pollinator artwork and outreach materials in your lobby
- Host a pollinator-themed meal
- Begin your own or join a social media campaign
- Highlight Pollinator Week in your newsletter
- Sponsor Pollinator Week (see link below)
- Employee pollinator planting day
- Build native bee houses with families and community members
- Join the Million Pollinator Garden Challenge
