SPEED LIMIT POLICY

The Committee of the Whole recommends approval of the recommendation contained in the following resolution submitted by Councillor DeFrancesca, dated November 3, 2015:

Member’s Resolution

Submitted by Councillor Rosanna DeFrancesca

Whereas, the safety of all road users, including pedestrians and cyclists, is a top priority for the City of Vaughan; and

Whereas, lowering speed limits on City streets to enhance safety without consideration of speed management/traffic calming techniques, active enforcement and collaboration with the community and other stakeholders may not result in the desired change in driver behavior.

It is therefore recommended:

1. **That** the City initiate the development of a comprehensive Speed Limit Policy;
2. **That** the Speed Limit Policy include the development of a set of criteria that will allow Staff to determine if it is suitable to implement a reduced speed limit;
3. **That** the Speed Limit Policy take into account the impact on an increasing number of pedestrians and cyclists and ensures speed limits are consistent with future growth;
4. **That** York Regional Police be part of the process to ensure support for the Speed Limit Policy and any changes to current speed limits that may result from the policy; and
5. **That** consultation with York Region, neighbouring municipalities and other stakeholders occurs as part of the process.

The Committee of the Whole recommends approval of the recommendation contained in the following resolution submitted by Mayor Bevilacqua, dated November 3, 2015:

Member's Resolution

Submitted by Hon. Maurizio Bevilacqua, P.C., Mayor

Whereas the City of Vaughan will be celebrating its 25th Anniversary of City status in 2016;

Whereas the City of Vaughan is a dynamic and growing municipality with a diverse population, a rich history, and a strong civic pride;

Whereas celebrations associated with the 25th Anniversary of the City of Vaughan present the opportunity to reflect upon and pay tribute to our heritage, promote our City's accomplishments and look ahead to the future of our growing community;

Whereas preliminary discussions with staff have taken place to inform this Member's Resolution;

Whereas a Coat of Arms is a permanent and public symbol of a municipal corporation, and the gift of a Coat of Arms from the Crown during Vaughan's celebratory year would be a significant and memorable honour;

Whereas community events, public outreach and recognition programs foster civic engagement, attract tourism, increase awareness of city initiatives and preserve our collective memory;

It is therefore recommended:

1. The City Clerk be requested to submit a petition to the Canadian Heraldic Authority, for the City of Vaughan to receive a grant of a Coat of Arms;
2. That the City Manager be requested to assign a staff team to determine and plan other appropriate celebrations and recognitions for 25th anniversary celebrations for the City of Vaughan;

5. That staff pursue sponsorship opportunities for these initiatives, and any other funding will be within existing approved budgets;

**REPORT NO. 40 OF THE COMMITTEE OF THE WHOLE
