

## NEWSLETTER NO.2

### PAVEMENT REHABILITATION

August 8, 2018

Starting the week of August 20, 2018, the City of Vaughan will begin road rehabilitation on segments of Kirby Road, Pine Valley Drive and King-Vaughan Road, as shown on the map below.

The entire contract is scheduled to be completed by the end of November 2018, pending weather conditions and unanticipated circumstances.

#### PLANNED CONSTRUCTION WORK

The scope of work under this Contract will include roadway rehabilitation including resurfacing of the existing asphalt pavement and replacement of certain culverts crossing underneath the road.

Before construction begins, various underground utilities (e.g. Gas, Bell and Hydro) will be marked out using different colours of paint to mitigate potential conflicts during construction.

#### CONSTRUCTION IMPACT ON TRAFFIC

- Road will remain open to traffic during construction. Temporary lane and driveway access restrictions will be required at times to allow construction to be undertaken in a safe and efficient manner.
- Access to driveways / entrances will be impacted during construction works. Work at the location of driveways / entrances will be staged so that continued access is maintained.

The City appreciates your co-operation and patience as we work to upgrade the infrastructure as quickly and efficiently as possible. Should you have any questions or concerns regarding this project, please contact us.

#### QUESTIONS?

**Please Contact:**  
**City of Vaughan**  
**Infrastructure Delivery**

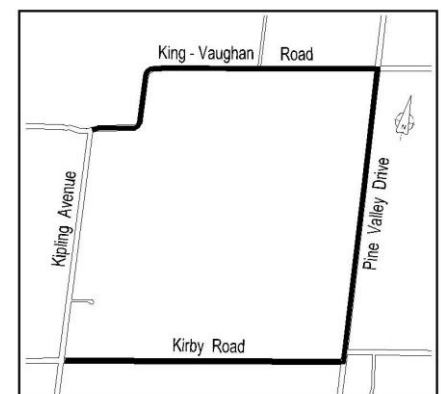

**Jeffrey Marsden**  
Municipal Services Inspector  
T: 905-832-8585 ext. 8484
