Various disruptions to park playgrounds

June 20th, 2018

Construction at various playground facilities throughout the City of Vaughan parks will commence starting June 25th, 2018. The purpose of the closures is to remove sand surfacing and replace with wood chip mulch safety surfacing to meet current accessibility requirements. During this time, playground facilities will be closed for a duration of approximately two weeks once construction fencing has been installed.

All other facilities will remain open.

Please note there will be temporary interruptions along adjacent roads due to delivery of construction material. We ask the public to please use caution and respect the warning signs and fences when present. Below is a list of parks which will undergo construction.

List of Parks

Marita Payne Park (North and South)
(2 Glen Shelds Avenue)

Mario Plastina
(160 Stonbriar Drive)

Ahmadiyya Park
(140 Murray Farm Lane)

Ross Guerri Park
(67 Park Ridge Drive)

Crofters Park
(225 Crofters Road)

We apologize for any inconvenience.

For more information, please contact Parks Development at 905-303-2069 or parksdevelopment@vaughan.ca.

After hours, please call the dispatch office at 905-832-2281 and press 0.
