## Facility Closures – Alexander Elisa Park

**August 19, 2019**

Please be advised that construction at **Alexander Elisa Park** in the City of Vaughan will commence starting September 2019. The playgrounds and basketball court are expected to re-open by the beginning of November 2019. The purpose of the closures is to replace the existing playground structures, and safety surfacing with new play structures, and wood fibre safety surfacing to meet current accessibility requirements. The basketball court will also be updated with the removal of the existing asphalt surfacing, concrete retaining wall, wooden bleachers and timber curbs, and replaced with new asphalt surfacing, sodded slope and armour stone seat wall.

Please note there will be temporary interruptions along adjacent roads due to delivery of construction material. We ask the public to please use caution and respect the warning signs and fences when present.
