

## NEWSLETTER No. 2: MAJOR MACKENZIE DRIVE - WATERMAIN REPLACEMENT

May 10, 2018

Commencing the week of May 14<sup>th</sup>, 2018, the City of Vaughan's Contractor will begin mobilizing to complete the replacement of the watermain on Major Mackenzie Drive from Jane Street to Keele Street. The construction of the watermain, water services and final restoration works is anticipated to be completed by November 2018.

### PLANNED CONSTRUCTION WORK

The scope of work under for this Contract includes the replacement of existing watermain, hydrants and water services and all associated works and restoration.

Before the construction begins, the underground utilities, including watermain, sewers, gas, hydro and telephone, will be marked to avoid potential issues when digging.

**Property owners are reminded that underground systems such as lawn sprinklers, heated driveways and electrical conduits etc. may be within the York Region owned boulevard or property limits and may be impacted by the proposed construction work. The City will not be responsible for damage to any privately-owned items that are within the York Region owned boulevard or property limits.**

### CONSTRUCTION IMPACT ON BUSINESSES, LOCAL RESIDENTS AND TRAFFIC

- Roads will remain open to vehicular and pedestrian traffic during construction. Temporary lanes, traffic diversions will be required at times to allow construction activities to proceed in a safe and efficient manner.
- Disruption of waters services will be required as part of the project. To minimize impact during typical business hours the shutdown's will be scheduled during evening and overnight hours where required. Additional notices will be circulated at least 48 hours in advance to all impacted residents and businesses.
- To minimize the overall impacts and duration of the project, components of the watermain installation will also be staged and completed during the overnight hours. A noise exemption permit has been issued for the project to facilitate this night time work.
- Access to private and commercial driveways and entrances will be impacted at times during the watermain replacement and associated restoration works. Work at the location of commercial entrances will be staged so that continued access is maintained during business hours.
- Waste collection schedules will not change during construction. Waste containers shall be set out prior to 7:00 a.m. on your designated collection day.

The City appreciates your co-operation and patience as we work to upgrade the infrastructure on Major Mackenzie Drive as quickly and efficiently as possible. Should you have any questions or concerns regarding this project, please contact us.

2141 MAJOR MACKENZIE DRIVE, VAUGHAN, ON L6A 1T1
