NOTICE TO RESIDENTS

NOISE EXEMPTION

Dear Resident:

As part of the Watermain Replacement, the City of Vaughan's contractor Trisan Construction will be working night hours (8:00 PM - 6:00 AM) along Major Mackenzie Drive from Jane Street to Keele Street to have the east bound curb lane resurfaced.

The extended hours associated with this task are scheduled to commence on the evening of Tuesday May 21st and will be completed by the end of the week (weather permitting). The pace of this work is difficult to predict and so the extended working hours will allow sufficient time to ensure that the resurfacing work is completed in a timely manner.

Every effort to restrict excessive noise during this time will be taken.

Thank you for your continued understanding and patience during the watermain replacement work on Major Mackenzie Drive. If you have questions about the upcoming work, please contact us.

Emergency Contact:

Name	Andre Furtado
Title	Site Superintendent
