

NEWSLETTER No. 2: KIRBY ROAD - ROAD REHABILITATION

May 2, 2019

Beginning June 2019, the City will be undertaking road rehabilitation work on Kirby Road from Albion-Vaughan Road to Keele Street as shown on the maps.

PLANNED CONSTRUCTION WORK

The scope of work under this 2019 Contract includes the road rehabilitation and all associated restoration works.

Before construction begins, the underground utilities, including sewers, gas, hydro and telephone lines, will be marked to avoid potential issues when digging.

This road rehabilitation is scheduled to begin in June 2019 and be completed in October 2019.

Property owners are reminded that underground systems such as lawn sprinklers, heated driveways and electrical conduits etc. may be within the City-owned boulevard or property limits and may be impacted by the proposed construction work. The City will not be responsible for damage to any privately-owned items that are within the City-owned boulevard or property limits (Encroachment By-law no. 034-2017).

If you are planning to repave your driveway, please contact us.

CONSTRUCTION IMPACT ON TRAFFIC

- Roads will remain open to traffic during construction. Temporary lane and driveway access restrictions will be required at times to allow construction to be undertaken in a safe and efficient manner.
- Access to driveways / entrances will be impacted during construction.
- Your waste collection day will not change during construction. Waste containers should be set out prior to 7:00 a.m. on your designated collection day.

The City appreciates your co-operation and patience as we work to upgrade the infrastructure in your neighborhood as quickly and efficiently as possible. Should you have any questions or concerns regarding this project, please contact us.

QUESTIONS?

Please Contact:
City of Vaughan
Infrastructure Delivery Department

Lucas Eremita, C.E.T.
Municipal Services Inspector
T: 905-832-8585 ext. 8730
