BID NO. T14-008
TALL GRASS TRAIL, STORM SEWER OUTLET REPAIR

SEALED BIDS, in the envelope provided, clearly marked as to contents, will be received by the Purchasing Services Department, 2141 Major Mackenzie Drive, City Hall, Level 100, Vaughan, Ontario, L6A 1T1, no later than, 15:00:00 hours (3:00:00 p.m.) Local Time:

FRIDAY, MARCH 14, 2014

The purpose of the project is to repair a storm sewer outlet that is subject to erosion which could lead to the concrete headwall structure being undermined. The project consists of site preparation, removal of existing gabions and concrete baffle blocks, excavation of two pools, supply and placement of fieldstone and armourstone materials, site restoration, supply and placement of landscaping, and all works as necessary or may be reasonably inferred from the Contract Documents and Drawings. The site is located on Tall Grass Trail near Highway 7 and Pine Valley Drive in the City of Vaughan. Bid Documents may be obtained from the Purchasing Services Department, located at the above address, between 08:30 and 16:30 hours (8:30 a.m. to 4:30 p.m.), local time, Monday to Friday, for a non-refundable fee of $50.00 (H.S.T. included) or contact Purchasing Services at 905-832-8555.

The Corporation of the City of Vaughan reserves the right to accept or reject all or part of any Bid and also reserves the right to cancel this Call for Bids at any time.

All inquiries regarding this Tender shall be emailed to Scott Wigmore, Buyer, Purchasing Services Department, at scott.wigmore@vaughan.ca.

A MANDATORY SITE MEETING IS SCHEDULED FOR:
Date: Friday, March 7, 2014
Time: 11:00 a.m.
Location: Opposite 58 Tall Grass Trail, Woodbridge

Brian Anthony, CRS-S. C.Tech.,
Director of Public Works
Asad Chughtai, CScMP, C.P.M., CPPO, CMMII

NOTICE OF STUDY COMPLETION
MUNICIPAL SERVICES FOR THE VAUGHAN HEALTHCARE CENTRE PRECINCT

The Corporation of the City of Vaughan has completed a Schedule B, Class Environmental Assessment (Class EA) study for an 87 acre parcel of land in the northwest quadrant of Major Mackenzie Drive and Jane Street, to be used for the urban Vaughan Healthcare Centre Precinct (VHCP) anchored by a new healthcare hospital, known as the Mackenzie Vaughan Hospital.

The Class EA study has been conducted generally following the Integrated Approach (with the Planning Act) as outlined in the Municipal Engineers Association Class EA (October 2000, as amended October 2007 & 2011). The identified preferred solutions include a roadway layout consisting of Streets A through F connecting to Jane Street and Major Mackenzie Drive; sanitary sewers connecting to the existing sanitary sewer located at Jane Street and Grand Valley Blvd; a watermain connecting at Grand Valley Blvd; two storm water ponds located in the southwest corner of the site; and a north-south drainage channel located west of the existing channel (see map).

A Project File Report has been prepared for the Class EA Study, which describes the problem, identifies and evaluates alternative solutions, describes existing conditions and appropriate mitigation measures, and selects preferred solutions, as well as the public and agency consultation during the Class EA study.

This Notice places the Project File Report on the public record. The Project File Report is available for public viewing on thirty (30) calendar days from February 13 to March 14, 2014 at the following locations during business hours noted below:

City of Vaughan, Engineering Department
2141 Major Mackenzie Drive
Vaughan, ON L6A 1T1
Open: Mon - Fri: 8:30 a.m. - 4:30 p.m.

NOTICE TO
FIREWORKS VENDORS
City of Vaughan Licensing Bylaw 315-2005 allows and licenses the retail sale of Consumer Fireworks for seven (7) days immediately preceding Victoria Day (May 19) and Canada Day (July 1st).

All license applicants must complete an application form and submit all required documentation to confirm business registration with the Ministry of Consumer and Business Services, and the successful completion of the Awareness Training Course offered by the Vaughan Fire and Rescue Service on the safe sale, storage, display, use and handling of Consumer fireworks. In addition, both zoning clearance and a confirmation of a site inspection by the Chief Fire Official will be required. The Licensing fee will be $256.00 plus applicable zoning clearance and Awareness Training Course fees.

Application packages are available for pick up between the hours of 8:30 a.m. and 4:30 p.m. on Monday to Friday, in the Clerk’s Department, City Hall, 2141 Major Mackenzie Drive.

Fireworks vendors must make their applications to the Clerk’s Department no later than 28 days prior to the events in which they are expected to be considered eligible for the issuance of a Fireworks License.

Jeffrey A. Abrams, City Clerk
Larry Bentley, Fire Chief
Dated: March 6, 2014

E: Andrew.Peace@Vaughan.ca

If concerns cannot be resolved through discussions with The City of Vaughan, a person may request the Minister of the Environment issue a Part II Order requesting this project comply with Part II of the Environmental Assessment Act. A Part II Order Request must be received by the Minister at the address below and copied to The City of Vaughan no later than March 14, 2014. If there are no Part II Order requests received, the proposed works will proceed to the design and construction phases as outlined in the Project File Report.

Honourable Jim Bradley
Minister of the Environment
77 Wellesley Street West, 11th Floor, Ferguson Block
Toronto, ON M7A 2T5

Thank you for your participation in this study.
This Notice is issued February 13, 2014.

Comments and information regarding the Project are being collected in accordance with the requirements of the Environmental Assessment Act. Other than personal information, all information received may be included in the project documentation, which will become part of the public record.
