

Canadian Tire Jumpstart® is a community-based charitable program that helps kids aged 4-18 participate in organized sports and recreation such as hockey, dance, soccer and swimming, so they can develop important life skills, self esteem and confidence.

National in scope, but local in focus, Canadian Tire Jumpstart® delivers support to children in financial need through a Canada-wide network of local chapters. The City of Vaughan, through its Community Services Department is one such Chapter. The City, working together with Canadian Tire Associate Dealers, identifies children who would benefit from Canadian Tire Jumpstart® and ensures effective delivery of the program.
