February 2022

## Improvements are coming to Kleinburg Village

### **DEAR RESIDENT/BUSINESS OWNER:**

Planning and design are moving forward for the City of Vaughan's Kleinburg Village Improvements Project. The City is undertaking important municipal infrastructure improvements, including watermain replacement, road reconstruction work, new cycling facilities, new parking areas, roadway and pedestrian lighting and streetscaping and landscaping enhancements. These improvements support the City's continued commitment to ensuring long-term sustainability of municipal infrastructure.

### **Get Involved**

You are invited to participate in an upcoming virtual Public Information Session to review conceptual design plans, review planned streetscape improvements and learn more about project benefits, outcomes, construction scope and timelines. You will also have the opportunity to share feedback with the project team. Except for personal information, all comments received will become a part of the public record.

The virtual **Public Information Session** will be held on:

**Thursday, Feb. 10, 2022 | 7 p.m. to 9 p.m.**

Hosted via Microsoft Teams

Register at [vaughan.ca/KleinburgVillage](https://vaughan.ca/KleinburgVillage) (click on the "Register" button)

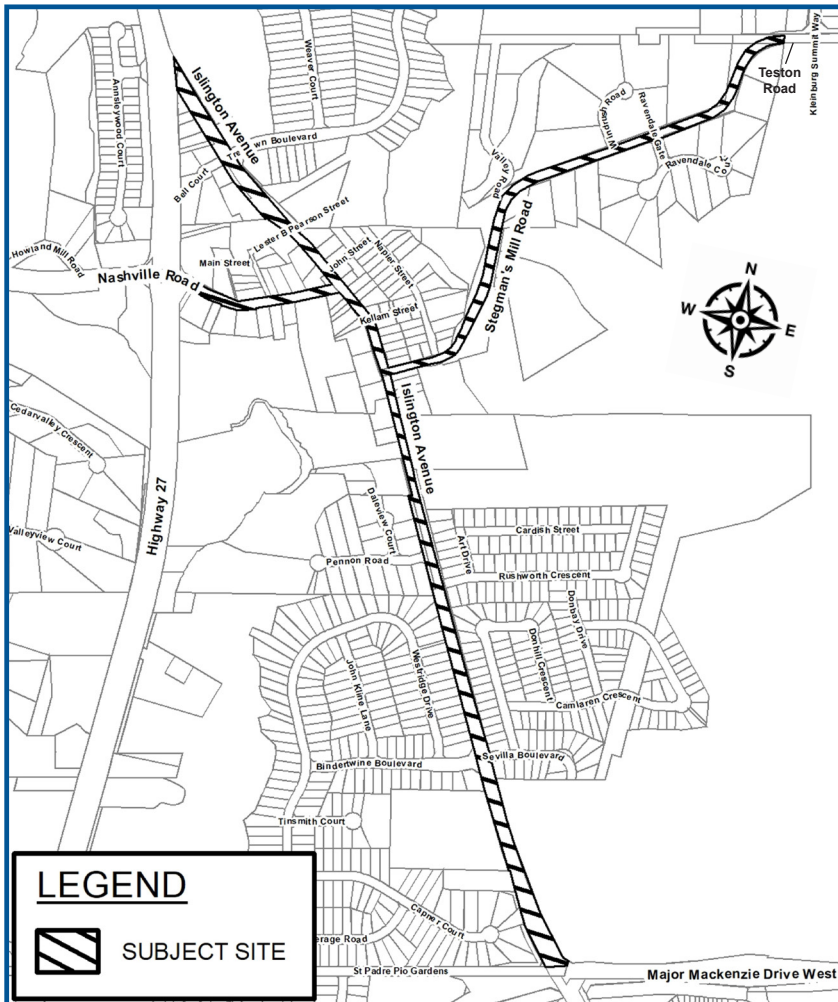

A link to the session will be provided in advance.

For those not able to participate in the session, the presentation and all related materials will be available for viewing on Feb. 11, 2022 via the City's project webpage at [vaughan.ca/KleinburgVillage](https://vaughan.ca/KleinburgVillage).

## Project Timelines

The detailed design work is expected to be completed by the end of 2022. Construction is targeted to begin in early 2023 with anticipated completion by summer 2024. For project updates, visit [vaughan.ca/KleinburgVillage](http://vaughan.ca/KleinburgVillage).
