**Workshop: Vision and
Guiding Principles
Vaughan Mills Centre
Secondary Plan**

Let's Work: Guiding Principles and Vision

Workshop Time: 45 minutes

Objective: Create 10 Guiding Principles and a Vision Statement

Some questions to think about:

- How should Vaughan Mills Centre evolve over the next 20 to 30 years?
- How is it characterized, and what is it known for?
- How do people live?
- What makes it unique?
- What would encourage people to walk, cycle, or take transit more?
- Where are the special areas and key destination that should be enhanced or preserved?
- Where are the areas in need of improvement or change?
