5. The fees shown in the following table will be used to calculate the total permit fee. However, the minimum fee for any permit shall be \$180.00 (2023 Rate).
6. Fees are indexed annually and are subject to change and Council approval in future years.

2. If an application is withdrawn in writing by the Applicant:
 - a) prior to a technical report proceeding to Committee of the Whole, 25% of the fee may be refunded; or
 - b) prior to a Public Meeting, 50% of the fee may be refunded.
3. Should the Applicant request that a Public Meeting be cancelled (after Notices have been mailed out) and held at a later date, the total cost incurred for the second mailing of a Public Meeting Notice shall be borne by the Applicant.
4. An appeal of any of the Planning Applications identified in this By-law to the Local Planning Appeal Tribunal shall be subject to a \$875.50 Planning Department Administrative fee for each application appealed, to be paid by the Appellant.
5. Site Development applications for new individual (excluding new detached residential dwelling developments(s) proceeding through the plan of subdivision approval process) detached dwellings that are to be constructed within any Heritage Conservation District Study and Plan, as defined by Vaughan Official Plan 2010, are subject only to the Simple Revision fee for Site Development Applications. The Heritage Review fee shall also apply.
6. For a Mixed-Use development, where more than one use is proposed on a site, the applicable Site Development application fee shall be the Base fee, plus the total of the fees for each individual use/units added together. For a Zoning By-law Amendment Application, Site Development Application and Draft Plan of Subdivision Application, where residential uses are proposed, the per unit residential fee shall apply to each unit for each application type.
7. Major Official Plan Amendment: A “Major” Official Plan amendment is an Official Plan amendment that:
 - a) any proposed redesignation or change in land use for a property(ies);
 - b) requires many changes to the policies and schedules of the Official Plan;
 - c) is more significant in scale and scope than a minor Official Plan amendment, and which may have greater impact or policy implications beyond the subject lands. Applications relating to more than one property would normally be in this category;
 - d) a site-specific application representing a large-scale development/redevelopment or a change in use. An application involving significant changes to the text or policies of the Official Plan would also fall in this category; and
 - e) an Official Plan amendment within a Heritage Conservation District.
8. Minor Official Plan Amendment: A “Minor” Official Plan amendment is an Official Plan amendment that:
 - a) proposes a small-scale exception to a specific Official Plan standard (e.g., minor variations (maximum 10%) to numerical values, such as, the number of permitted units, building height, and gross floor area; or to add a site-specific use limited in scale, excluding outside/open storage and environmental standards);
 - b) proposes a minor change to a specific policy that is limited in scope to one property;
 - c) maintains the intent and purpose of the Official Plan; and
 - d) shall have limited impact or policy implications beyond the subject lands.
9. Official Plan, Zoning By-law Amendment, Block Plan and Secondary Plan Applications – Recirculation fee applicable when substantial changes are initiated by the Applicant that requires a full recirculation for review and comment prior to Council approval. When more than one related application (e.g., Official Plan and Zoning By-law Amendment) is filed, the fee shall only be applied for one of the related applications.
10. For the purposes of calculating the applicable application surcharges the VMC, Intensification Areas and Infill Development are defined as follows:
 - a) VMC - Any Development Planning application for a property located within the boundary of the Vaughan Metropolitan Centre (VMC), as defined by the VMC Secondary Plan.
 - b) Intensification Areas - Any Development Planning application for a property located within an Intensification Area identified on the following: Schedule 1 - Urban Structure of Vaughan Official Plan (VOP) 2010; any Secondary Plan Policies (Section 11); Area Specific Polices (Section 12); or Site-Specific Policies (Section 13) constituting Volume 2 of VOP 2010. The surcharge will apply to Development Planning applications that facilitate new development and redevelopment proposals.
 - c) Infill Development - Any Development Planning application for a property where the proposal is for development that meets the following definition:

Infill Development means the development or redevelopment of a property, site or area with new development at a higher density or building height than is currently permitted by the Official Plan. The surcharge fee will not apply to a Development Planning application for street townhouse development, but shall apply to all other forms of townhouse development (e.g. common element, back-to-back, row, stacked, etc.). Infill development also includes all residential apartment and mixed-use buildings.

In each case above (i.e. VMC, Intensification Area and Infill Development) the surcharge will not apply to development that is minor in nature, such as additions or expansions of existing buildings, a change in use in an existing building, or an amendment to a development standard (e.g. number of units or gross floor area).
- d) Heritage Conservation Districts (HCD): Intensification Areas and Infill Development fees do not apply to any Development Planning application that will facilitate the retention, adaptive reuse, or a minor alteration(s) (e.g. addition) of an existing building that is designated as Part 4 or Part 5 under the *Ontario Heritage Act* or recognized in the City’s Built Heritage Inventory. However, any Development Planning application for new development / redevelopment within a HCD is subject to the Intensification Area/Infill surcharge.

- e) The VMC, Intensification Areas, Infill Development and Heritage (where applicable) surcharges shall be paid for each application type. (Example: If a Zoning By-law Amendment and Site Development application are required for a residential development in the VMC, the applicable Zoning By-law Amendment surcharge of \$18,924 and the Site Development application surcharge of \$5,759 shall apply.)

11. OTHER GENERAL FEES:

\$1,030.00 per year Maintenance Fee charged to files inactive for over 1 year (where the Applicant prefers not to close the file). The Development Planning Department may close a file if the Applicant does not pay the above within 30 days of written notice from the City.

- 12. Fees for Landscape Inspection and Landscape Review are subject to HST.

- 13. Per unit fee charge is based on a decreasing per unit rate. For example, a Zoning By-law Amendment application for a proposed residential development with 250 units, the fee is calculated as follows:

For the first 25 Units = 25 Units x \$780	= \$19,500
For the next 26-100 Units = 75 Units x \$290	= \$21,750
For the next 101-200 Units = 100 Units x \$79	= \$7,900
For each Unit above 200 (201-250 Units) = 50 Units x \$35	= \$1,750
Total Per Unit Fee	= \$50,900

- 14. Tree Protection Fee paid only one time either at Draft Plan of Subdivision or Site Development Application as applicable. The payment of this fee is subject to HST (13%).
- 15. Where more than one application type requires an additional Public Meeting or Committee of the Whole Report for a development, only one surcharge fee shall apply.
- 16. This fee is a one-time reinstatement fee of a Draft Plan of Subdivision for which the approval has lapsed within the past 5 years.
- 17. All Official Plan and Zoning By-law surcharge fees shall be paid prior to the item being enacted by Council and/or paid within 30 days of a Decision issued by the Ontario Land Tribunal (OLT).
