PART 3

- a) Reference Correction

Special Committee of the Whole Report, September 12, 2011
Modifications to the Vaughan Official Plan – 2010 (Volume 1)
Attachment 1, Part B, Summary of Respondents Requests/Staff Comments and Recommendations, Item 159 (Solmar), pp 58-59

That the term “Schedule 13-J” in the last paragraph of the Comments column be replaced by “Schedule 13-Q” to properly reflect the location of the subject property.

- b) Further Discussions in Respect of Industry Concerns: Gas Stations and Drive-Through Facilities

Following the September 12, 2011 Special Committee of the Whole Meeting, Policy Planning staff met with representatives from the restaurant industry, interested landowners, and the

Region of York in regard to the VOP 2010 policies respecting car oriented uses including drive-through facilities. The concerns of the restaurant industry were discussed, focusing on the regulations, guidelines and prohibitions placed on drive-through facilities. Staff are of the opinion that progress was made towards reaching a resolution on this matter and will continue to work with industry representatives. In addition, staff will also engage the gas station interests in the process.

Both the current policies in VOP 2010 and those recommended in paragraph p) of the September 12, 2011 report on the proposed modifications may play a role in developing the new policy regime. However, at this point introducing the new policies recommended in paragraph p) of the September 12 report would not advance discussions.

That Recommendation No. 2 of the Commissioner of Planning be amended by adding the following after "Recommended Modifications":

“; save and except for the policies recommended in paragraph p) “Regulation of Automobile Oriented Uses: Gas Stations and Drive-Through Facilities”.

That Staff pursue a resolution and report back to Council prior to the Region of York's approval of the modified VOP 2010.”

THAT the following recommendation contained in Communication C18 from the Commissioner of Planning, dated September 27, 2011, be approved:

“That the following recommendation added to the Recommendation section of the September 27, 2011 “Follow-Up Report” to Council under Part 3: Other Issues, Modifications and Clarifications:

3.3 Paragraph c) in respect of potential changes to Section 3 “Environment”

That the implementing policies and schedules changes be prepared to reflect the modifications to VOP 2010 Volume 1 identified in the Commissioner of Planning's memorandum dated September 27, 2011 (Further Modifications to Chapter 3 of the Vaughan Official Plan-2010) and that such policies be forwarded to the Region of York for approval as part of the VOP 2010 Volume 1 approval process.”

Communications Plan

The Corporate Communications Department posts proclamations issued by the City on the City’s

website under “Events – Proclamations” and on the City Page Online.

Purpose

To respond to the request received from the Chapter Manager, Autism Ontario – York Region Chapter.

Background - Analysis and Options

The correspondence received from the Chapter Manager, Autism Ontario – York Region Chapter, dated September 15, 2011, is attached. (Attachment 1) This request was received too late to be placed on the last Committee of the Whole meeting Agenda. Due to the time-sensitivity of the proclamation request to proclaim October as Autism Awareness Month, we respectfully request that Council ratify the action taken.

The proclamation request meets the City’s Proclamation Policy, as follows:

“That upon request, the City of Vaughan issue Proclamations for events, campaigns or other similar matters:

- (i) which are promoted by any organization that is a registered charity pursuant to Section 248 of the Income Tax Act”

Autism Ontario was established in 1973 and has been providing support to many families across York Region and Ontario to help them cope with this devastating disorder. They are a leading source of information and referral on autism and their mandate is to ensure that each individual with autism is provided the means to achieve a better quality of life in the community. The proclamation would raise awareness as well as much needed support.

Relationship to Vaughan Vision 2020/Strategic Plan

This report supports the strategic priorities established by Vaughan Vision 2020, in particular “Enhance and Ensure Community Safety, Health and Wellness”.

Regional Implications

This report supports the promotion of awareness throughout the Region about autism.

Conclusion

Staff is recommending that October 2011 be proclaimed as “Autism Awareness Month” in the City of Vaughan, and that the proclamation be posted on the City’s website and on the City Page Online. Given that the next meeting of Council is on October 18, 2011, this report recommends that Council ratify the decision at its meeting of September 27, 2011.
