

FIRE STATION #7-4

Fire Station #7-4 is a new station located at 835 Nashville Road in Kleinburg. The station will be approximately 10,250 square feet and meets current Accessibility for Ontarians with Disabilities Act (AODA) standards. The overall design of the station compliments the heritage features of the local community as set out within the guidelines of the Kleinburg - Nashville Heritage Conservation District Study for new developments. The station will be constructed to meet Leadership in Energy and Environmental Design (LEED) Silver Certification.

During construction, a waste management program has been implemented to further reduce the building's impact on natural resources.

Construction is well underway.
