

## Woodland Acres Area: Watermain and Road Rehabilitation

### CAPITAL WORKS PROGRAM

The City of Vaughan is planning road, watermain and street lighting improvements in your area to replace aging infrastructure as part of the 2022 Capital Works Program.

### PLANNED PROJECT WORK

Proposed work, to the locations indicated on the above map, includes:

- Road rehabilitation
- Watermain replacement
- Streetlight improvements

### PRE-CONSTRUCTION FIELD WORK

Over the next few weeks, engineering consultants will be in your area collecting field data and conducting investigation activities for the project. This may include topographic and/or legal surveys, geotechnical boreholes and other field investigation works.

### TRAFFIC IMPACT

All roads listed will remain open to traffic while the field investigation work is being carried out by the City-approved consultant, under the direction of the Infrastructure Delivery department.

### MORE DETAILS TO FOLLOW

Newsletter No. 2 will be issued prior to construction, which will provide further details including approximate construction start and end dates. The project work is tentatively scheduled for 2022.

Thank you in advance for your cooperation. We look forward to completing these important infrastructure upgrades in your neighbourhood. For more information, please contact the Project Lead.
