

Community Garden Rules/Gardener License Agreement

1. DEFINITIONS:

“Community Garden Coordinator” defined as a person assigned to oversee the garden operations, manage Gardeners, prepare garden plans and maintain regular contact with the City of Vaughan.

“Gardener” defined as a person(s) whom have been approved by the City to participate in a Community Garden and bound by the terms of this License Agreement.

2. TERM:

Participation in this License Agreement will be seasonal, from May 1 to November 30, upon which this Agreement will end. The Term is subject to opening and closing operations conducted by City Public Works staff. Notice will be given to all Gardeners from the City’s Sustainability Coordinator or the Community Garden Coordinator outlining changes in the Term duration.

3. GARDEN RULES:

COVID-19 has changed how community gardens will operate in 2020. COVID-19 is a public health crisis, and the health and safety of the Gardeners and the community is the City of Vaughan’s top priority. As such, the City of Vaughan has a zero-tolerance policy this year. If anyone puts the health and safety of others at risk by not abiding by the rules outlined below, the Gardener will lose their privilege to participate in the community garden. If you choose not to garden in the 2020 season due to the risk of COVID-19, you are welcome to participate in 2021.

The Growing to Give Community Garden is a community space where Gardeners share the work and share the harvest. Surplus harvest is donated to a charitable cause and/or community member(s). As a member of the community, we ask that you follow these guidelines at the garden:
