Dear Candidate,

Congratulations on your decision to run for office!

The nomination package contains the forms you will require to properly register yourself as a candidate and to be prepared for your campaign. It also contains other information, such as a Guide for Ontario Municipal and School Board Elections published by the Province of Ontario and a guide to assist you in providing an accessible campaign.

Remember, it is your responsibility to identify, understand and follow the obligations of a candidate as they are set out in the relevant legislation and in the other policies and procedures that are established for this election.

The City Clerk (or his designate) will meet with you when you file your nomination paper and discuss each of the documents in the package with you. If questions of the City Clerk arise during the course of your campaign, please submit them by email (elections@vaughan.ca). Clarifications of general application will be made available to all candidates through all candidates communications by email.

Further information will be distributed to you when it becomes available.

Please monitor the City's official election website www.vaughan.ca/elections for information updates.

Sincerely,

A handwritten signature in black ink that reads "T. Coles". The signature is written in a cursive style with a long horizontal stroke at the beginning.

Todd Coles
City Clerk / Returning Officer
