

Intersite Place culvert replacement

JULY 2024 | NEWSLETTER #1

Dear resident,

The City of Vaughan will be undertaking culvert replacement work along Intersite Place. These enhancements support the City's continued commitment to ensuring the long-term sustainability of municipal infrastructure.

Construction scope

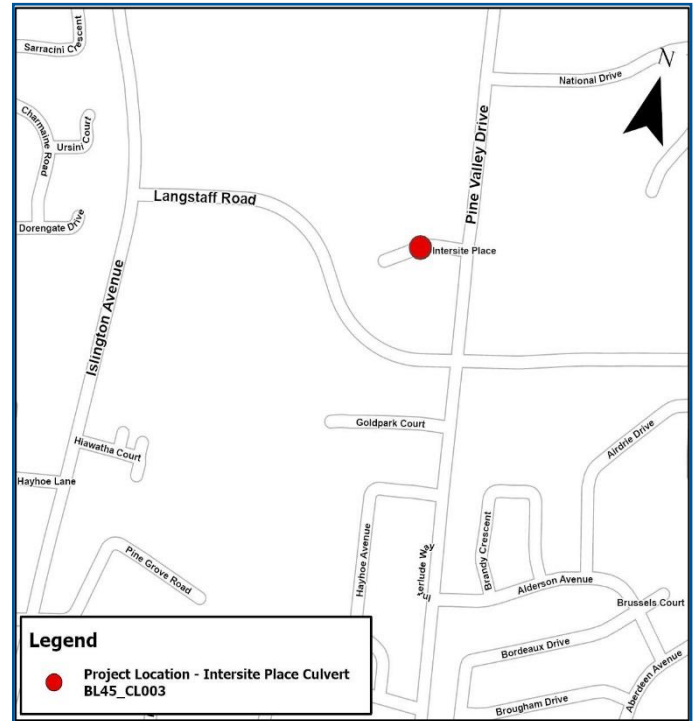

The rehabilitation of the culvert along Intersite Place includes the removal and replacement of the asphalt and granular road structure, foundation, backfill, cover, installation of rock protection and more.

To safely complete the work, lane closures will be required on Intersite Place. Access to residences will remain available at all times.

Construction timelines

Construction is scheduled to begin in August 2024 and is anticipated to be complete by the end of October 2024.

Contractor: Alliance Verdi Civil Inc.
