

Hilda Avenue bridge rehabilitation

JULY 2025 | NEWSLETTER #1

Dear resident,

The City of Vaughan is making improvements to the bridge that crosses the Canadian National Railway on Hilda Avenue, between York Hill Boulevard and Pinewood Drive. Work is scheduled to begin this month and is anticipated to be complete by the end of fall 2025.

Work will include:

- installing new traffic signs.
- removing and replacing the road asphalt.
- waterproofing the bridge deck.
- updating the road markings.

To safely complete the work, lane closures will be required on Hilda Avenue. Flag persons and signage will be onsite to guide traffic. Roads will remain accessible to local traffic at all times.
