

Improving road safety

OCTOBER 2025 | NEWSLETTER #1

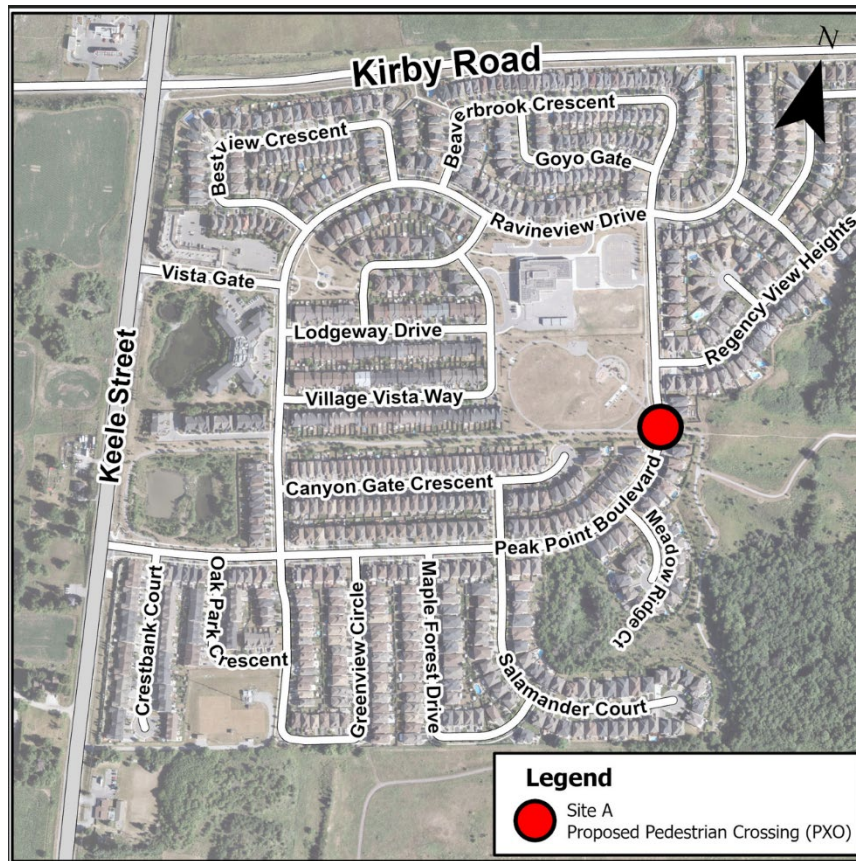

Dear resident,

The City of Vaughan is improving road safety in your community with new traffic control measures, including:

- a controlled pedestrian crossing over Peak Point Boulevard, between Regency View Heights and Meadow Ridge Court, connecting the multi-use trail on either side of the road.

Pre-construction/design activities, including marking the locations of underground utilities – like gas and hydro – with different coloured paint, will begin this fall. Construction is expected to begin in spring/summer 2026.
