DEVELOPMENT CHARGE INFORMATION PAMPHLET

July 1, 2026

This overview of the City of Vaughan's development charges is intended to be used as a guide. Applicants should review the by-laws and the *Development Charge Act, 1997* and consult with Financial Planning and Development Finance staff at the City of Vaughan. If there is a discrepancy between this information and the by-laws, the by-laws prevail.

What are development charges?

Development charges (DCs) are fees paid by developers and homeowners. DCs assist in financing capital costs associated with growth and development within the City of Vaughan. These funds are used solely for the purpose for which they are collected.

Is my project subject to DCs?

You may be required to pay development charges, if you are:

- Constructing a new building
- Making an addition or alteration to an existing building that increases the number of residential units or the non-residential gross floor area
- Redeveloping a property or making interior alterations that result in a change of use to all or part of a building

Every development application is evaluated to determine to what extent DCs are applicable.

What types of services do City-wide DCs pay for?

DCs help fund the increased need for the following services:

- Engineering services
- Community services
- Fire and rescue services
- Public works
- Library services
- General government

What are Area Specific DCs?

For more localized services provided by the City of Vaughan, an area-specific approach is used. Area specific DCs are calculated for water, wastewater and stormwater services.

Who do I call for more information?

City of Vaughan West of Weston Road – 905-832-2281, extension 8703
East of Weston Road – 905-832-2281, extension 8775

Region of York (1) 877-464-9675, extension 71696
York Catholic District School Board 416-221-5051, extension 12374

When are the DCs collected?

Unless otherwise provided by agreement, a DC is calculated on the date a building permit is issued for development on land to which a DC applies. For residential development, development charges are payable at first occupancy of a building, while non-residential development charges continue to be paid at permit issuance. This change was legislated through Bill 17.

Adjustments

DCs will be adjusted annually, except for the Edgeley Pond Park and Black Creek Channel Works and VMC West Interchange Sanitary Sewer Improvement Works ASDCs which are indexed semi-annually, without amendment to the current by-laws, as of the first day of January and/or the first day of July in each year. This is in accordance with the most recent change in Statistics Canada Quarterly, Non-Residential Construction Price Statistics.

Treasurer's statement

An annual statement identifying opening and closing balances of the reserves funds and the yearly transactions relating to the funds are available for review in the Office of the City Clerk during regular business hours.

ADDITIONAL INFORMATION

Bill 108 – More Homes, More Choice Act, 2019

Under Bill 108 - More Homes, More Choice Act, 2019, site plan and/or zoning applications made after January 1, 2020 will be able to freeze DCs, excluding Education DCs. Frozen DCs will remain in place until Council approves the application, at which point there is a 18 month timeframe to issue a building permit at the frozen DC rates. Permits issued after the 18 month timeframe will be subject to DCs at the prevailing rate.

Frozen DCs will be charged interest, as per the City's DC Interest Policy from the moment the DCs are frozen until the date they are paid in full.

*Region Hotel rate – other non-lodging uses such as restaurants, meeting rooms and stores, that are available to guests and/or to the general public may be subject to additional DCs. If the combined gross floor area of other such uses are greater than thirty three percent of the combined gross floor area of the lodging quarters, each non-lodging use in the structure will be assessed at the rate applicable to such other uses.

Change of Use

If you are changing the use from **residential to non-residential** or from **non-residential to residential** or from **one type of non-residential use to another type of non-residential** use, your project may be subject to development charges. Note, the use of the property is used to determine DCs. The zoning of the property has no significance in determining the charge.

Example of non-residential use to another type of non-residential use

Industrial or office use to uses considered “retail” use under the Region of York’s DC By-law are subject to additional Regional DCs. **Examples of retail uses** include but are not limited to, car brokerage, auto repair shops, personal service shops, places providing entertainment, fitness centre, restaurants.

Indexing of charges

City and Region index DCs from time to time. Education DCs have a phased increase on July 1 of each year, as per the Education DC By-laws
