The Gift of Giving Back

The Spirit of Generosity initiative continues its meaningful support of more than 250 non-profit and community organizations, including children and youth groups, healthcare initiatives, seniors' organizations, and special needs programs.

A MESSAGE FROM THE MAYOR & THE COMMITTEE CHAIR

Vaughan is a city that's taking bold actions. Over the past year, we've reduced our Development Charges by almost 50 per cent to accelerate much-needed housing, made real progress on the Council-approved Nine Point Action Plan to Fight Traffic Gridlock through projects like the Kirby Road Extension and the Canada Drive–America Avenue Bridge, continued to attract major investments from both the Province of Ontario and the Government of Canada, and opened a new York Regional Police substation to better serve residents in the west end. These milestones reflect our commitment to moving Vaughan forward — but just as important is ensuring that no one in our community gets left behind.

All net proceeds raised during the tournament will be directed to the Spirit of Generosity initiative, which continues its meaningful support of more than 250 non-profit and community organizations, including children and youth groups, healthcare initiatives, seniors' organizations and special needs programs. Since 2011, the Spirit of Generosity has raised millions of dollars to enhance the lives of many in Vaughan and beyond.

As a community leader in Vaughan, you are an integral part of building a bright future for our city. Your generous contributions continue to make Vaughan a better place for everyone.

Yours sincerely,

Steven Del Duca
Mayor of Vaughan
