

Weekend work in your community

JULY 2026

Dear resident,

The City of Vaughan has issued a Noise Exemption Permit for three projects currently under construction in your community, including:

- the new train station-themed Nashville Park, located at 639 Barons St.
- the new farm-themed Algoma Park, located at 42 Algoma Dr.
- the new outdoor fitness circuit off the Mactier Greenway multi-use trail, located at 255 Mactier Dr.

The permit will help ensure project deadlines are met by allowing work to take place on **Sundays and statutory holidays between 7 a.m. and 7 p.m. from Sunday, July 19, to Tuesday, Sept. 15.**
