July 2023

Stormwater management facility improvements coming to Rainbow Creek Park

Dear resident,

The City of Vaughan is committed to ensuring the long-term sustainability of municipal infrastructure – this includes the stormwater management facilities within Rainbow Creek Park. Stormwater management facilities reduce volume, flow rates and pollutants from stormwater runoff. Examples include:

- wet ponds.
- dry ponds.
- wetlands.
- underground storage chambers.

Get involved

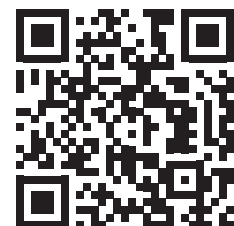

You're invited to attend a virtual Public Information Centre to learn more about planned improvements coming to five stormwater management facilities within Rainbow Creek Park – including the scope of work, construction impacts and timelines. You can also ask questions directly to the project team.

Virtual meeting details:

- **Date:** Thursday, July 27
- **Time:** 7 p.m. to 9 p.m.
- **Location:** Online via WebEx. An access link will be sent to your email in advance of the meeting.
