

North Maple Regional Park

Explore and enjoy

Districts

HEADWATERS

Located in the most northern area of the park, this district includes trails and existing woodlots. It is home to the headwaters of the Don River.

THE FIELDS

This area consists of the cricket grounds, two soccer fields, a soccer dome, the Fields Pavilion and Woodside Green.

PONDSIDE

It features a nature playground, water play areas, a skate trail in the winter, the Grand Pavilion for large group gatherings, and a walking trail around the pond.

Features

Trails

Park Main

The Park Main is NMRP's main north-south pathway. It guides visitors past NMRP's major amenities. The leaf symbol helps to quickly locate it on park maps and signs.

DIFFICULTY easy to moderate SURFACE asphalt LENGTH 2.2 km
WIDTH 3 m avg / 3 m min CROSS SLOPE 2% avg / 2% max
RUNNING SLOPE 2% avg / 20% max

Multi-Use

Running alongside Vaughan CARES Way, this trail is designated for pedestrians, cyclists and other forms of active transportation. It provides access to and from Keele Street, crossings and connections to trails and districts throughout the park.
