

Lane and sidewalk closures in Kleinburg Village

SEPTEMBER 2026

Dear business owner,

The City of Vaughan is undertaking curb, layby parking and boulevard construction in Kleinburg Village on the east side of Islington Avenue, from John Street to Kleinburg Public School (10391 Islington Ave.), as part of the Kleinburg Village Improvements project.

Construction will be completed in phases and is anticipated to be finished by the end of the year, weather permitting. **Phase 1 work, from John Street to Kellam Street, is scheduled to commence on Monday, Sept. 14 and is anticipated to be completed by Friday, Oct. 16.**

More about Phase 1 work

- To safely complete the work, temporary lane and sidewalk closures are required during construction.
- Every effort will be made to maintain uninterrupted access to your business.
- If you require assistance coordinating deliveries during construction, please contact the City's Infrastructure Delivery department before work begins via the contact information noted below.
- Detour signs, flag persons and police will be on site to guide traffic and pedestrians in the area.

About the project:

The City is undertaking important infrastructure improvements within Kleinburg Village, including watermain replacements, road reconstruction work and streetscaping enhancements. These improvements support the City's continued commitment to ensuring the long-term sustainability of municipal infrastructure. Learn more about the project at vaughan.ca/KleinburgVillage.
