New Digital Billboards Coming to Vaughan

Helping to fund city-building initiatives and programs

The City of Vaughan is adding more digital billboards across the city.

Digital billboards provide opportunities to display up-to-date information and advertisements in public spaces on City-owned property. Starting this year, 15 new digital billboards will be installed across the city at the following locations:

Fall/Winter 2026

- Al Palladini Community Centre – Islington Avenue frontage (9201 Islington Ave.)
- Vellore Village Community Centre – Weston Road frontage (1 Villa Royale Ave.)
- Dufferin Clark Community Centre – Dufferin Street frontage (1441 Clark Ave.)
- North Thornhill District Park – Dufferin Street frontage (599 Autumn Hill Blvd.)
- Vaughan City Hall (2141 Major Mackenzie Dr.)

Spring/Summer 2027

- Joint Operations Centre – Melville Avenue frontage (2800 Rutherford Rd.)
- Sonoma Heights Community Park – Islington Avenue frontage (100 Sunset Ridge)
- Maple Community Centre – McNaughton Road frontage (10190 Keele St.)
- North Thornhill Community Centre (300 Pleasant Ridge Ave.)
- City Playhouse Theatre (1000 New Westminster Dr.)

Fall/Winter 2027

- Woodbridge Pool and Memorial Arena (5020 Hwy 7)
- Carrville Community Centre – Major Mackenzie frontage (655 Thomas Cook Ave.)
- Chancellor Community Centre (350 Ansley Grove Rd.)
- Father E. Bulfon Community Centre (8141 Martin Grove Rd.)
- Garnet A. Williams Community Centre (501 Clark Ave.)

You are receiving this notice because you will soon see these digital billboards being constructed around your community.

These signs are expected to bring the City of Vaughan $1.92 million in alternative revenue over the next 15 years, helping maintain low taxes and fund city-building initiatives, programming and other City services.

As part of extensive consultation in 2023, the City engaged residents through multiple in-person Open Houses across Vaughan, giving residents the opportunity to learn more about the new digital billboards coming to Vaughan and ask questions. More information, including frequently asked questions are available at **vaughan.ca/DigitalSigns**.
