Message from Mayor Del Duca

At the City of Vaughan, we are proud to offer some of the finest recreation programs anywhere in the region. Our programs are second to none, providing residents of all ages and abilities with opportunities to stay active, learn new skills, build friendships and discover new passions.

Whether you're registering your child for sports or arts programs, participating in fitness and wellness classes, exploring cultural activities or trying something completely new, you'll find a diverse range of high-quality programs designed to meet every interest, ability and stage of life.

This season brings exciting new opportunities, from gymnastics, AR/VR and artificial intelligence programs to boxing, private guitar lessons and Nordic pole walking, alongside the trusted favourites our residents return to year after year. Families can enjoy activities together, preschoolers can learn through play, children and youth can develop new skills and confidence, and adults and older adults can stay active, engaged and connected. We also continue to offer a comprehensive range of aquatic leadership and lifesaving programs that help participants build confidence while developing valuable life skills.

Our commitment is simple: to provide exceptional recreation experiences that enrich lives and strengthen our community.

I encourage you to register early, try something new and make the most of another exciting season with Vaughan Recreation.

Steven Del Duca
Mayor

Virtual waiting room for program registration

Updates to the online registration system PerfectMind will improve fairness and reliability for everyone. This includes a **virtual waiting room and queuing system** to manage high traffic volumes during peak periods.

What is a virtual waiting room and queuing system?

A virtual waiting room manages high traffic and ensures fair access to registration. During high traffic periods, you'll be placed in a virtual waiting room where you'll be assigned a random queue or place in line. You'll see your place in line and an estimated wait time. When it's your turn, you can enter and complete your registration.

When will I enter the virtual waiting room?

You will only enter the virtual waiting room during high traffic periods for the registration system. During these periods, all users are placed in the waiting room and queue spots (your number in line) are assigned randomly.

How long will I have to wait in the virtual waiting room?

Typical wait times during peak periods are around 3-5 minutes.

What happens once I enter the registration system?

You have 20 minutes to complete your transaction before being returned to the queue during peak periods.

Can I register for multiple programs without re-entering the queue?

Yes. Once you're in the registration system, you can add multiple programs to your cart and check out in one session without the need to re-enter the queue.

If I have my barcodes ready, do I still need to wait in the queue?

Yes. Everyone enters the queue during high traffic periods. Having your barcodes ready will help you register faster once it's your turn.

Does this work on both mobile and desktop?

The virtual waiting room activates for mobile or desktop users during high traffic periods on the registration system.

Questions?

Email rec@vaughan.ca
or call 905-832-2281.

Code of Conduct

The City of Vaughan is committed to ensuring a respectful environment, free from harassment and discrimination throughout all its recreational facilities and programming.

The City will not tolerate or condone discrimination, harassment, violence, verbal abuse or vandalism.

All patrons, visitors, participants, contractors, volunteers, and employees using City-operated Recreation Facilities are expected to act in a manner that upholds a safe, healthy, and respectful environment. This includes respecting staff and other patrons, following facility rules, and refraining from any actions contrary to this Policy.

In support of a safe community...

The City of Vaughan promotes safety, respect, and civility for all users of City-operated recreation facilities and will take appropriate steps to deal with inappropriate behaviour as outlined in the Safe Recreation Policy.

Inappropriate Behaviour: Inappropriate behaviour means conduct that is unwarranted and is reasonably interpreted to be demeaning or offensive. Persistent, repeated inappropriate behaviour can become a form of harassment and thereby become disruptive.

Level 1, 2, 3 Offences: Describes the types and severity of behaviours outlined in this Policy:

- **Level 1 Offence:** Minor offences that include inappropriate behaviour, harassment, smoking or vaping in facilities, foul language, rough or boisterous play or minor scuffles that could lead to injury, misuse of emergency exits, non-threatening obscene gestures, and not following rules in City-operated recreation facilities.

- **Level 2 Offence:** Escalated or repeated Level 1 incidents and can include verbal assault, discrimination, sexual harassment, threatening behaviour, deliberate damage to facilities, and trespassing at City-operated Recreation Facilities.
- **Level 3 Offence:** Serious violations such as escalation from lower-level incidents, criminal activities including hate crimes, physical and sexual violence, robbery, drug and alcohol-related infractions, and possession of weapons.

Consequences

The consequences are at the discretion of the City of Vaughan and may vary depending on offence severity and/or repeat offences by an individual.

Inappropriate actions and behaviours towards staff will be treated as more severe.

Learn more at vaughan.ca/SafeRec.

Definition of City-Operated Recreation Facilities

City-operated recreation facilities as they relate to this policy, include:

- Indoor and outdoor pools
- Community centres, recreation spaces, parks, playgrounds, and splash pads
- Arenas and outdoor rinks
- Heritage buildings, City Playhouse Theatre and Vaughan Studios & Event Space
- Outdoor sports fields
- Leased space for programs operated and/or under the direction and control of the City.

FALL WORKSHOPS

The World is Your Workshop!

Affordable, one- to two-session recreation workshops are available for all ages—including parent & child options. Discover your next favourite hobby and enjoy new experiences!

Holiday Celebrations

THANKSGIVING

Inspired Spaces: Hand-poured Candle Decor

65 years+

Transform your space with beautiful, hand-poured candle decor — made by you and featuring our thoughtfully curated seasonal scent “Autumn Pumpkin Spice.” Your creation is designed to bring cozy, fall-inspired charm to every corner of your home.

Note: Includes one six-ounce hand-poured soy candle per participant. Participants must supply their own empty eight-ounce glass jar.

Paint Your Own Pottery: Haunted Halloween

3 years+

Delivered in partnership with *Mess for Fun*

All fired up to create beautiful holiday art? Paint your own one-of-a-kind piece of pottery. Apply your unique artistic style with pottery paint and leave your finished creative gem with us. Afterwards, we will glaze and fire your pottery in a kiln. The completed masterpiece will be packaged and ready for pick-up the following week at your respective community centre.

Note: Workshop includes one ‘ready to paint’ pottery piece and supplies that will be themed according to special calendar holidays. Children aged 3-6 years old must be accompanied by a parent/guardian. Mess for Fun reserves the right to provide a comparable pottery piece option if the advertised pottery piece is not available the day of the workshop.

Playdates & PARTIES

Hooray! Let's Play!

Three party packages for celebrations packed with value and fun!

New!

Toddler Run & Fun

(Recommended ages 2-4)

Up to 16 participants including the host's child.

Get ready to bounce, crawl, roll and giggle your way through the best birthday party ever! Climb through tunnels, toss balls, chase bubbles, play games and sing songs with your party pals. With mats, hoops, parachute play and plenty of room to zoom, this party is made for toddlers who can't-stop-won't-stop moving.

Note: At least one parent/caregiver must be present per child.

New!

Fizz, Pop, Goo!

(Recommended ages 7-9)

Up to 20 participants including the host's child.

Bring on the bubbling potions and stretchy slime! This high-energy STEM party lets you and your guests explore hands-on experiments like erupting volcanoes and DIY slime, learning cool science without even realizing it. It's the perfect mix of messy, marvellous and mind-blowing.

New!

Studio Stars

(Recommended ages 7+)

Up to 8 participants including the host's child.

Headphones on, mic's hot — let's hit the studio! You and your party people will step up to the mic and record your very own song in a real music recording studio. With expert guidance and lots of encouragement, you'll sing like stars and the host will leave with a digital copy of the track to keep the spotlight shining long after the party ends.

Discover the benefits of RecAssist!

RecAssist is the City of Vaughan's fee assistance program, which helps subsidize the cost of recreation programs and swim lessons for low-income individuals and families. RecAssist makes it possible for all residents to enjoy active living opportunities and enriching recreational experiences.

Why RecAssist?

- Children can learn a life-saving skill through swim lessons.
- Youth can take leadership courses that help qualify them for future employment.
- A creative arts program can prevent a senior from feeling isolated.

How to apply

- 1 Check your eligibility.**
Visit vaughan.ca/RecAssist to see if you qualify.
- 2 Submit your application.**
Complete the application form available online or at any Vaughan community centre. Send the completed application and all required documentation to RecAccount@vaughan.ca
- 3 Receive assistance and start registering.**
Once approved, you'll receive subsidies for eligible programs and can register to participate.

**Apply to
RecAssist**

Support RecAssist

Your donations make a significant difference in ensuring all Vaughan residents have the opportunity to live an active, healthy and connected life.

Help us continue to offer these valuable programs by donating today. Visit vaughan.ca/RecAssist to make your contribution.

**Donate to
RecAssist**

Additional subsidy options available

In addition to RecAssist, the City also provides information about other subsidy programs available through providers like York Region and Canadian Tire Jumpstart. These programs offer additional support to make recreation activities accessible to all individuals and families. Visit vaughan.ca/RecAssist to learn more.

P.A. Day

Babysitting Basics

11 - 14 years

Learn some must-have babysitting skills before your first job, including: basic first aid, how to respond to an emergency, and deal with difficult behaviour. Build confidence, communication and leadership skills, so you can be the best babysitter.

Hands-on Robotics: LEGO® SPIKE™ Essentials - Level 1

6 - 8 years

Delivered in partnership with *Logic Fusion*

'Build' confidence as you watch science, engineering and physics 'connect'. Using your LEGO® SPIKE™ Essential system, each week you will code a set of robots and structures to help solve problems and create stories. You will quickly learn to be a 'master builder' by using motors, lights and sensors to help you navigate, throw a ball and avoid obstacles through challenges brick by brick.

December Break

Camp Basics for Parents

Camps run December 21, 2026 to December 31, 2026.

Camps are not offered on the following statutory holidays: December 25 & January 1.

This guide will help you and your child prepare for camp.

When registering in PerfectMind, ensure all personal information is up to date, including emergency contacts, adult(s) who are permitted to pick-up your child(ren) from camp site, medical history and dietary restrictions.

Pre-Camp Communication: Camp staff will contact parents/guardians if the personal information contained in your client profile is not up to date. This information will be verified at least once during the camp calendar year.

Safety is our top priority

If your child is sick, they must stay home and parents/guardians must inform the Camp Director.

Age requirements

- **Camps for Ages 4-6:**
Required to be 4 years old by start of camp – no age override allowed.
- **Camps for Ages 7+:**
Required to be 7 years old by December 31, 2026 – no age override needed.

Our programs are carefully designed to be age-appropriate, with your child's development, safety, and maturity in mind. Children must meet the minimum age required by the start of a program except for school break and summer camps, where children must be within the age range of the camp by December 31 of the year the camp is taken; for preschool camps with a minimum age of 4, children must be of age at the start of camp.

Age exemptions will only be considered in extenuating circumstances, and we are unable to consider requests that pose a risk to children's safety (e.g., aquatic programming).

To be considered for an age exemption or to discuss alternate programming options, speak to the Community Centre Lead at your local community centre or email rec@vaughan.ca.

Aquatic Camps: All campers must be of age at the start of any aquatic camp. Due to health and safety guidelines, the City of Vaughan swim admission policy, and the requirements set by the Lifesaving Society, there will be no age overrides for aquatic camps. Refer to our [Swimming Lessons: Frequently Asked Questions](#) or email swim@vaughan.ca for further inquiries.

Recreational swimming

Children in full-day camps located at a facility with a pool (refer to the list of [recreation facilities](#)), will participate in recreational swimming throughout the week.

Parent/guardian permission is required for campers to participate in camp recreational swimming. This can be indicated when completing the questionnaire upon registering.

Recreational swim times, supervised by qualified City of Vaughan lifeguards and camp staff, have been scheduled into camp programs.

Campers aged under 7 years will not participate in recreational swimming. Alternate programming will be provided.

For campers aged 7-9 years who do not pass the admission standard, we will attempt to place camper with a camp counsellor where resources allow. Should this not be possible, alternate programming will be provided.

Please review our [Pool Guidelines & Safety Standards](#) to clarify admission and supervision requirements for your camper.

Camper group requests

Unless otherwise stated, campers are grouped according to chronological age, and/or skill level. Occasionally, circumstances arise whereby it may be desired to group a child together with their friends or family of a similar age in the same program.

Indicate your request when registering, we will attempt to accommodate to the best of our ability for no more than two campers of the same age. All parties involved must be aware and request when registering. These requests cannot be guaranteed.

Campers with disabilities

If your child has a disability or requires 1-on-1 support, please email inclusion@vaughan.ca.

Camp hours

Programming will run from 9 a.m. to 4 p.m. daily with flexible drop-off from 8:30 a.m. and 9 a.m. and pickup available between 4 p.m. and 4:30 p.m. Flex drop-off and pick-up is not available for any half day camp.

Remember to pick up your child(ren) on time after their long (but fun!) day at camp. Repeated lateness will be subject to a late fee charge, and may result in removal from the program for the duration of the session with no refund.

Minutes Late	Fee
0-10 minutes	\$15
11-20 minutes	\$30
21-30 minutes	\$45
31-60 minutes	\$60

Pick-up procedures:

- Photo ID will be required at each pick-up.
- Self sign-out is allowed for campers 10 years of age or older with signed permission.
- Campers will be released to only those people listed on the PerfectMind client profile.

In case of emergencies

Call Service Vaughan at 905.832.2281 and ask for the customer service desk at the community centre of your child's camp to contact the Camp Director during camp hours.

Camper lateness, absenteeism or changes to pick-up/drop-off

Leave a message for the Camp Director if your child is going to be late, absent or if there are any changes in your pick-up/drop-off routine immediately. We will follow-up with a phone call if a camper has not arrived by start time.

What to bring

We ask that your child brings only the recommended items to camp in an effort to keep personal items to a minimum.

Lost & found

Please inquire, at drop-off/pick-up, regarding any lost items. Lost items will be kept for one week following the end of camp.

Note: The City of Vaughan does not accept responsibility for items brought to camp, which are lost, stolen, or damaged. To avoid disappointment, campers are encouraged to leave these personal items or money at home.

Camper safety & security

Our camps aim to create an atmosphere where each camper feels safe and respects the rights of others.

Recreation staff will make every effort to integrate a participant into programming and accommodate their individual needs.

If a child demonstrates challenging/difficult behaviour, we will endeavor to provide the necessary assistance to minimize that behaviour using positive behaviour management strategies. If your child is involved in any incidents, parents will be notified immediately.

Through the City of Vaughan's Corporate health and safety policy and under Recreation Service's Safe Community Centres Policy, we reserve the right to remove and withdraw a participant from the program should their behaviour pose a potential risk of self-harm, or harm to other participants, staff, patrons or property.

Guidelines on food allergies

- Campers must not share food.
- Due to the number of life-threatening allergies to peanuts or nuts, all camps are an 'allergy aware' environment. Due to the public space of our buildings, we cannot guarantee the environment to be allergen-free.
- All parents share in a responsibility to read food labels and to not send products that contain/may contain traces of peanuts/nuts, or that do not carry a complete list of ingredients (i.e. bulk food, from on-site bakeries, etc.)

Where there is a life-threatening allergy to nuts or other allergens (confirmed by a family physician), parents will be notified by letter, and requested to avoid sending the identified food.

- Campers with items known to cause life-threatening reactions, will be moved to a private area to eat their food. Staff will instruct campers on proper hand washing techniques for before and after meals.

Medical information & medication

Ensure all medical information is up to date on your PerfectMind client profile. Learn more about viewing and uploading documents to your customer profile on our [Registration FAQs](#) webpage.

Campers requiring medication at camp must affix a recent photo to a signed **Medication Dispensing Form**. Medication must be stored in original containers only and will be kept in the camp office. Please note that camp staff can assist campers with dispensing medication, however staff cannot administer medication.

Note: Recreation Services staff are not responsible for lost or damaged medications left in the campers' care.

Life-threatening allergies

Campers with a life-threatening allergy are required to complete the **Anaphylaxis Emergency Plan** early to ensure the camp site is well prepared for the camper's needs.

When complete, upload to your PerfectMind Client profile, under the documents section.

Recreation

Winter Adventures

Break out of the cold this holiday season with fun camp activities! Campers enjoy arts & crafts, sports, games, outdoor recreational skating (weather permitting, ages 7-12 years) and much more!

Creative Arts

Hollywood Filmmaking

9 - 13 years

Delivered in partnership with *Film Camp in a Box*

Fill your week with action, adventure and a lot of comedy in our Hollywood movie-making camp. Mentored by master filmmakers, you'll make movie magic while exploring the filmmaking process, including pre-production, production and post production. Working in small crews, you'll learn about cinematography, script writing and digital post-production tools, like Final Cut Pro, iMovie and Canva. You'll then create, act in and edit a short film and movie trailer, adding special effects, music, voiceovers, titles and sound effects, plus you'll use the latest technology — MacBooks, 4K cameras, tripods, boom microphones, green screens and aerial drones. You and your crew will also create promotional and advertising assets to showcase your short film to the world and use AI tools to generate an original movie soundtrack. Movies will be presented at our red carpet popcorn film festival and archived on our digital theatre.

Stop Motion Animation: LEGO® Studio

7 - 12 years

Delivered in partnership with *Film Camp in a Box*

Tiny worlds, epic stories — create it all in stop motion! Under the wing of industry pros, you'll turn LEGO® and clay into cinematic masterpieces while exploring the stop motion animation process, including pre-production, production and post production. Working in small crews, you'll bring to life a movie set, write a script, shoot the animation and edit your blockbuster short and movie trailer. Movies will be presented at our red carpet popcorn film festival and archived on our digital theatre.

Culinary Arts

Chef's Apprentice

10 - 13 years

Roll up your sleeves, it's time to cook like a pro. Learn what it takes to run the kitchen as you practise essential skills like chopping, measuring, sautéing and combining ingredients to bring simple recipes to life. You'll also work as a team with your fellow apprentices tackling fun team challenges and taste tests that build confidence and creativity. Along the way, you'll craft dishes inspired by cuisines from around the world, plate meals that look just as good as they taste and graduate a confident chef's apprentice. When you're not in the kitchen, enjoy classic camp fun like swimming, arts and crafts, sports and special theme days. New recipes will be made each day.

Note: Campers participate in 1-2 cooking rotations each day.

Kitchen of the World

8 - 13 years

Pack your apron and bring your appetite! Kitchen of the World is your passport to a delicious journey across continents. In this hands-on culinary camp, young chefs will discover the flavours, traditions and techniques of global cuisine while building confidence in the kitchen. Each day, you'll "travel" to a new country and prepare up to three recipes — an appetizer, entree and/or dessert — inspired by places like Italy, Japan, Mexico, France and Greece. Along the way, you'll learn the stories behind the food, explore cultural traditions and collaborate with fellow foodies on a flavourful and enriching culinary adventure.

Note: Culinary activities in the kitchen are complemented with arts & crafts and cooperative games. Campers participate in 1-2 cooking rotations each day.

Fitness & Wellness

TeenFIT

13 - 15 years

No more excuses: add a fitness routine to your life-style to look and feel better! Learn proper workout techniques, how to use cardio and weight training equipment, and receive nutrition tips from Vaughan Fitness staff. Get and stay motivated with other teens while you do warm-ups, drills and group exercises together. Finish off your fitness routine with a swim in the pool.

Note: Comfortable workout clothing, running shoes, a water bottle and towel are required. This is a half day camp that runs from 1:00-4:00pm. All participants receive a 3-visit fitness centre pass that expires 6 months from the start date of the program.

Science & Technology

3D Modelling & Printing

8 - 12 years

Delivered in partnership with *Kids Great Minds*

Fabricate—from start to finish—your own 3D objects: cars, jewelry, robots and small toys, learning the basics of 3D design. A 3D printer will be brought in for children to learn how it works. Participants take home one of their own printed models at the end of the course. More pieces can be made at an additional cost.

Recreation Vaughan

Note: Programming runs from 9am to 4pm daily **except on Thurs., Dec. 24 (Christmas Eve) and Thurs, Dec. 31 (New Year's Eve) where camp ends at 12pm.** Flexible drop-off and pickup are available from 8:30am to 9am and 4pm to 4:30pm.

Hockey Stars

Do you eat, sleep and breathe hockey? Ready to push further and see real progress on the ice? Sounds like you've got game. Elevate core hockey fundamentals through focused, high-energy days where you'll sharpen skating technique, power up puck control, and boost speed and agility in a fun and supportive environment. You'll participate in hockey drills designed to improve stickhandling, passing and receiving on both forehand and backhand, shooting technique, stride efficiency, edge control and overall skating speed. Full-pace scrimmages give you the chance to apply your skills in game-like situations and develop your hockey sense in real-time play.

Note: This is not a learn to skate program. All participants must bring their own skates and hockey stick, and wear a CSA approved helmet with a face shield/cage and a full set of hockey equipment is required, including: neck guard, shoulder pads, elbow pads, shin pads, pants, jock, socks, stick, gloves and jersey. Participants will be grouped according to their age and skill level. Before & After Care is not available at any half day camp.

Water Adventures

Aqua Adventures

Learn proper stroke techniques and water safety during daily swim instruction, followed by fun water play including water polo, lifesaving sports, underwater activities and of course, recreational swimming. Campers dry off with activities such as arts & crafts, games and sports.

Note: Swimmers may be placed in a multi-level teaching environment, which allows instructors to teach students at various skill levels within the same group. Material learned is developed by the Lifesaving Society. This program is for participants in the associated Swimmer level. Students receive a final report card.

Aquasport

8 - 13 years

Would you rather be in the water than on land? Spend the December Break playing sports, in the pool! Based on the sport of lifesaving (yes, it's a sport!) train in individual lifesaving events including an obstacle swim, tow with fins, lifesaving medley, throwing accuracy, and object support; and team events: manikin relay, obstacle relay, swim with fins, and medley relays. Emphasis is placed on improving overall fitness, including, strength, power, and endurance, and promoting teamwork, sportsmanship, achieving personal bests and having fun. Campers also enjoy water polo and competitive swimming, then dry off with fun activities including arts & crafts, games and outdoor sports. Besides having fun in their element, water lovers will grow confident in the pool environment and develop strong swimming skills for success in future swim lessons and aquatic leadership programs.

Pre-requisite: Swimmer 4.

Aquasquirts

4 - 6 years

Little swimmers enjoy various aquatic activities, such as water safety, relay races, sing songs and cooperative games. While having fun in the water jumping, rolling, spinning, twisting, and turning upside down, children grow more comfortable and confident in the pool environment and develop basic swimming skills. Campers dry off with activities such as arts & crafts, games and sports.

Junior Lifeguard Camp

7 - 12 years

Love the water but want more than "lessons"? Dive in and learn how lifeguards train: practice swimming strokes, first aid situations and rescues through friendly competition in an environment that mixes work with play and focuses on personal-best achievement. Throughout December Break track your progress collecting stickers from the Canadian Lifesaving Society for your 'Junior Lifeguard' journal, and work towards completing all your Swim Patrol levels: Rookie/Swimmer 7, Ranger/Swimmer 8, Star/Swimmer 9 and Bronze Star/Swimmer 10. Water you waiting for?

Pre-requisite: Swimmer 5/6.

VAUGHAN

Family: Parent & Child

We make
family time
easy & entertaining!

Welcome to our **Family** section, you will find programs in which parents participate with their child.

What parents need to know about parent-participate programs:

- Only the child(ren) needs to be registered
- Parent/guardian can attend with more than one child (e.g. siblings) as long as they are all registered
- Only 16 years or older may attend in your place
- You'll be expected to participate in all activities throughout the duration of the program
- Proper gym attire and running shoes may be required for select programs
- Equipment will be provided unless otherwise noted at time of registration

Culinary Arts

COOKING & BAKING

Perfect Pairing

6 - 8 years

Cooking brings families together like nothing else. Join your budding chef on a culinary adventure where together you'll get hands on in the kitchen, creating everything from fresh bread and brownies to home-made pizzas and pastries. As a dynamic duo, you'll measure, mix, chop and cook while learning new recipes and techniques. Along the way, you'll work as a team, spark creativity, and boost your culinary confidence in a fun and engaging environment. And the best part? You'll get to enjoy your delicious creations at the end of each class and take home the skills to recreate them.

Note: One parent/guardian per registered child.

Educational

LIFE SKILLS & SOCIAL DEVELOPMENT

Language Play: Italian

6 - 12 months

Join your baby in a playful introduction to Italian through songs, rhymes, movement and sensory play. This program supports early learning and bonding while introducing simple Italian words, sounds and cultural elements. Guided activities like circle time, story time and hands-on play allows babies to begin recognizing sounds and rhythms while building early social and motor skills, language strategies and ideas to continue learning at home.

DANCE

Dance with Me

2 - 4 years

Don't miss your toddler's first steps on the dance floor! Move and groove with your preschooler, helping them learn basic dance concepts that develop balance, coordination, agility and rhythm. This introduction to the dance world teaches toddlers how to interact with others and follow directions, while fostering an appreciation for music and movement.

Family Steps and Swirls

5 - 12 years

Delivered in partnership with Smiles Foundation

Share the joy of movement in this fun, twirl-worthy, family-oriented ballroom and Latin dance instructional class. Designed for all ages and experience levels, this program introduces you and your junior dance partner to the basics of popular styles while you move, laugh and make core memories together. Step with style in the cha-cha and salsa, swirl through the waltz, and try other lively partner dances. Led by welcoming instructors, each session combines simple steps with playful activities that build rhythm, co-ordination and connection.

MUSIC & INSTRUMENTS

Tiny Tunes

9 Months - 3.5 years

Delivered in partnership with Rockstar Music Central

Turn up the tunes as we begin our musical journey through your little one's toddler years! Here we dive deeper into your child's cognitive, social, and musical development through engaging songs and musical games. We'll explore singing and playing different instruments while making new friends as your child's creativity soars!

Skate & Hockey

SKATE

Learn to Skate

Skating lessons for the whole family. Under the instruction of a coach, parents help their children practice skating basics such as balance, control, gliding on two feet and forward movement.

Note: All participants must bring their own skates and wear a CSA approved helmet with a face shield/cage. Adult participants are not required to wear a face shield/cage on their helmet. Winter clothing, including gloves, are recommended. Participants will be grouped according to their age and skill level.

VAUGHAN
PLAYschool

Is your preschooler
ready for kindergarten?

vaughan.ca/playschool

VAUGHAN PLAYschool

Where Learning Begins with Play

Big learning starts with little moments! At Vaughan Playschool, we believe in the power of play to spark curiosity. Our programs focus on building a love for learning through play-based activities like arts, crafts, music and outdoor exploration. We're here to set your child on the path to success, with a strong foundation in both social and academic skills. Give your child the best start to their educational journey, one playful step at a time.

Why Choose Vaughan Playschool?

Play-Based Learning

Our play-based programs make learning fun while helping preschoolers build the skills they need for kindergarten success.

Convenient Locations

We're just around the corner! With six Vaughan locations, each packed with fun amenities and child-friendly spaces, there's a Playschool waiting for your little one.

Qualified Instructors

Our dedicated instructors are trained in First Aid and CPR, and meet all provincial safety standards so you can feel confident your child is in great hands.

Parental Flexibility

Drop your child off and take a well-deserved break. Enjoy a swim, hit the gym, or simply unwind at our community centres.

What Parents Have to Say

Vaughan Playschool Junior was absolutely amazing! Our child enjoyed going and her speech and vocabulary have improved significantly.

They're fantastic! She comes back happy, she doesn't want to come home when I pick her up!

Vaughan Playschool

SCHOOL READINESS

Vaughan Playschool: Junior

2.5 - 3.5 years

Designed for your little one as they start their journey towards school readiness, this program creates independence from parents and develops age-appropriate social, emotional and fine and gross motor skills. Through singing and playing, children learn about sharing, taking turns, washing-up, following directions, and communicating with words — all while having fun and making new friends!

TAEKWONDO

Taekwondo: Little Dragons

4 - 6 years

Delivered in partnership with
Woodbridge Taekwon-Do Inc.

Kids have a lot of energy! Taekwondo training gives them a healthy outlet while having fun, staying fit and learning focus, integrity, and confidence. Regular Taekwondo classes at this age level helps build strength and character.

Note: Uniforms are required and will be made available for purchase on the first class from Woodbridge Taekwon-Do Inc. for an additional fee of \$87.00 (HST included). Belt testing occurs at the end of every course at the discretion of the instructor, when the child is deemed ready, and is required to progress through the levels. An additional belt testing fee, starting at \$71.00 (HST included) for White Belt is collected by the Woodbridge Taekwon-Do Inc. at the time of testing. Students coming from other clubs must show proof of belt certification in Chang-Hon Style of Taekwon-Do, otherwise they must start at the White Belt level. All new students are required to purchase new club uniforms. Class information on structure, fees and testing will be emailed prior to the first class.

Children learn best when they can try skills independently and follow instructor guidance.

Parents and caregivers are asked to observe from designated viewing areas (if available) and refrain from entering the program space during instruction.

VAUGHAN DANCE

Time to SHINE

Dancers take the stage!

4 - 10 years

From September to December, aspiring performers (new dancers welcome!), are immersed in dance culture, learning the foundations of a variety of dance disciplines, including **ballet, hip hop, and jazz.**

Young dancers are led through stretching, stationary, and across the floor work and games in a supportive environment that encourages creative self-expression – all while building confidence, coordination and (of course!) rhythm.

Read more on pages 46 and 47.

Performing Arts

DANCE

Kinderdance

3 - 5 years

Let your little star shine! Aspiring dancers learn fundamental dance concepts and elements to develop flexibility, coordination and self-confidence, preparing them for future dance programs.

VAUGHAN DANCE

Time to SHINE

Vaughan Dance Ballet: Recital

4 - 6 years

Dancers take the stage! From autumn to spring, aspiring performers (new dancers welcome!) learn graceful ballet techniques through choreographed routines. Young dancers are led through barre stretching, stationary, and across the floor work and games in a supportive environment – all while building confidence, coordination, and (of course!) rhythm. They'll have their time to shine, performing live on stage in a spring recital at the City Playhouse Theatre. Appropriate dance attire is highly recommended, including: canvas or leather ballet slippers, tights, bodysuit, and a tutu. Children receive a 'Vaughan Dance' t-shirt and draw-string tote bag.

Note: Fee includes a recital costume.

Recital date: Wednesday, May 19, 2027.

Not ready to perform on stage? Start with our recreational dance stream!

Vaughan Dance Ballet: Recreational

4 - 6 years

The first 'step' to becoming a ballerina! Learn basic ballet poses and steps supporting flexibility, strength and balance - while enhancing self-assurance, and developing an appreciation for music and dance.

Vaughan Dance Hip Hop: Recital**4 - 6 years**

Dancers take the stage! From autumn to spring, aspiring performers (new dancers welcome!) learn the hottest footwork trends such as breaking, popping, locking, and tutting through choreographed routines. Young dancers are led through stretching, stationary, and across the floor work and games in a supportive environment – all while building confidence, coordination, and (of course!) rhythm. They'll have their time to shine, performing live on stage in a spring recital at the City Playhouse Theatre. Appropriate dance attire is highly recommended, including: non-marking running shoes and comfortable clothing. Children receive a 'Vaughan Dance' t-shirt and drawstring tote bag at the start of the program.

Note: Fee includes a recital costume.

Recital date: Wednesday May 19, 2027.

Not ready to perform on stage? Start with our recreational dance stream!

THEATRE**City Playhouse Academy: Musical Minis****4 - 5 years**

Attention future stars of the stage! Welcome to the first level of the City Playhouse Academy. This interactive theatre class will see preschoolers acting out stories, doing fun role playing, singing and (of course!) dancing. The instructor will use costumes, masks and puppets to teach different theatrical themes. Whether shy or outgoing, preschoolers will blossom in this drama program which builds self-confidence, encourages creative self-expression, and improves listening, social and speaking skills.

Note: All preschool programs are on my own (i.e. drop-off). Email playhouseacademy@vaughan.ca for more information.

Prop Master Studio

4 - 6 years

Let your imagination take centre stage through hands-on creation and dramatic adventure. You'll craft simple theatre props using art materials that spark ideas and support playful storytelling. Guided drama-based activities introduce expression, movement, character exploration and shared scenarios that build confidence and collaboration. Each session blends making with make-believe so young performers can find their voice, think on their feet and let creativity steal the show.

Science & Technology

STEM

Be a Mini Engineer

4 - 5 years

Delivered in partnership with *Kids Love Tech*

Let's get building! In this educational, hands-on program, build machines, towers and bridges using snap-in beams, wooden planks, gears, motors, cables and connectors. Using STEM (Science, Technology, Engineering, Math) vocabulary, learn about strength and stability, and how to make things move. All materials and projects are for in-class use only.

Robobuilders: Robotics, Coding & Civil Engineering

4 - 7 years

Delivered in partnership with *Engineering for Kids*

Get ready for a dynamic intro to robotics, coding and civil engineering. This program delivers the perfect balance of creativity, problem-solving and real-world skills. Gain hands-on robotics and coding knowledge while learning about automated transportation systems, then experience programming, building and operating your own automated systems including, simulating earthquakes, as well as, working with automated construction trucks and flood gates. You'll also learn the foundations of civil engineering as you explore concepts such as tension, compression, structurally strong geometric shapes, and the importance of a strong foundation and core, by learning about the engineering behind skyscrapers, roads, tunnels, bridges and more. You'll experiment, create and discover what it takes to design strong, stable structures, proving yourself as a true "robobuilder".

Robodesigners: Robotics & Mechanical Engineering

4 - 7 years

Delivered in partnership with *Engineering for Kids*

This program is a combination of two major engineering fields: robotics and mechanical engineering. Construct and program a robot that follows your instructions. Then, think critically and learn to adapt and find solutions when unexpected issues come up like code not working or sensors that don't respond correctly. Using coding, motors and sensors, you will also explore several of the mechanical forces that create movement in various machines. You'll use the Engineering for Kids' Engineering Design Process to create exciting projects that spin, cascade and more. You'll learn practical skills and discover how engineering can be found in the machines all around us.

STEM: Coding**3 - 5 years**

Your little one isn't too young to learn how to code! Through fun activities, we'll explore coding concepts such as sorting, sequencing, patterning, loops, branching, symbols and debugging – and we'll do it unplugged! Preschoolers will have too much fun to realize they're learning literacy, logical thinking and problem-solving skills, which will help them succeed in a digital world.

Skate & Hockey

HOCKEY

Learn to Play Hockey: Beginner

4 - 6 years

Hockey lessons for players with little or no ice-hockey experience. Learn proper puck handling skills, edge control, and fundamental passing and shooting techniques through drills and modified game play. This learn to play hockey program is an ideal start for children interested in playing in a league.

Note: This is not a learn to skate program. All participants must bring their own skates and wear a CSA approved helmet with a face shield/cage. A full set of hockey equipment is required, including: neck guard, shoulder pads, elbow pads, shin pads, pants, jock, socks, stick, gloves and jersey. Participants will be grouped according to their age and skill level.

**Sports****BALL HOCKEY****Vaughan Sports:
Ball Hockey Training**

4 - 6 years

Swap a puck for a ball and keep lighting the lamp. This non-competitive ball hockey training experience helps participants build technique, decision-making and confidence between league play through focused instruction and dynamic drills. Develop stick-handling, crisp passing, accurate shooting and smart positioning while improving awareness, timing and control on the floor. Keep momentum going, stay sharp and come ready to play with purpose.

Note: CSA-approved hockey helmet with a full-face guard is mandatory. Team jerseys and end-of-session tournament are not included in this offering. Specialized sports equipment or gear may be required or recommended.

Vaughan Sports: Basketball League

4 - 6 years

Fast breaks, quick decisions and nonstop movement — this is basketball built for players ready to raise the pace of play. Step into a higher-energy game environment where shooting, ball handling, passing and defensive positioning are sharpened through game-play situations, fast-paced drills and team competition. Read the floor, react under pressure and bring intensity to every possession. Build chemistry with your team and compete for a city-wide championship title at the end of the season.

Note: The championship tournament may be scheduled outside of regular program dates or locations. Team jersey included. Additional details will be provided by the coach. Specialized sports equipment or gear may be required/recommended.

Children learn best when they can try skills independently and follow instructor guidance.

Parents and caregivers are asked to observe from designated viewing areas (if available) and refrain from entering the program space during instruction.

Playdates & PARTIES

Hooray! Let's Play!

Three **NEW** party packages for celebrations packed with value and fun!

New!

Toddler Run & Fun

(Recommended ages 2-4)

Up to 16 participants including the host's child.

Get ready to bounce, crawl, roll and giggle your way through the best birthday party ever! Climb through tunnels, toss balls, chase bubbles, play games and sing songs with your party pals. With mats, hoops, parachute play and plenty of room to zoom, this party is made for toddlers who can't-stop-won't-stop moving.

Note: At least one parent/caregiver must be present per child.

New!

Fizz, Pop, Goo!

(Recommended ages 7-9)

Up to 20 participants including the host's child.

Bring on the bubbling potions and stretchy slime! This high-energy STEM party lets you and your guests explore hands-on experiments like erupting volcanoes and DIY slime, learning cool science without even realizing it. It's the perfect mix of messy, marvellous and mind-blowing.

New!

Studio Stars

(Recommended ages 7+)

Up to 8 participants including the host's child.

Headphones on, mic's hot — let's hit the studio! You and your party people will step up to the mic and record your very own song in a real music recording studio. With expert guidance and lots of encouragement, you'll sing like stars and the host will leave with a digital copy of the track to keep the spotlight shining long after the party ends.

View all our packages and pick the perfect party or playdate at
vaughan.ca/partytime

Children: 6-12 years

Creative Arts

CREATIVE MAKING

Sew and Tell

10 - 13 years

Delivered in partnership with
Breanna Channele Therapeutic Services

This dynamic program is designed to empower girls ages 10-13 by teaching them both practical sewing skills and emotional intelligence. Guided by a diverse team, including a skilled seamstress, a social worker and a teacher, each weekly session is divided into three purposeful segments: a therapeutic learning session followed by a quick movement break before moving into to a guided sewing session. Participants will design and complete a personalized sewing project while gaining insights into self-awareness and emotional regulation. The program concludes with a final showcase where the girls proudly present their finished creations to family, friends and community members. This event celebrates their achievements, boosting their confidence and allowing them to share their learning journey. This safe space supports young girls through the development of essential life skills and self-esteem while they connect with peers and create something beautiful with their own hands.

Note: Upon completion of the program, participants may request a receipt for the portion of the program related to therapeutic services. This receipt may be eligible for reimbursement through extended health benefits that cover Registered Social Worker services. Coverage varies by provider.

DRAWING

Elementary Drawing

6 - 12 years

Delivered in partnership with *Young Rembrandts*

Master your understanding of drawing principles by deconstructing complex objects into foundational shapes. Explore important artistic elements such as colour theory, perspective, composition and shading. Experiment with diverse materials to enhance your skill and artistic confidence. Various art history themes provide a rich, education context. All materials are provided, and every session will introduce new art projects, ensuring a fresh and engaging learning experience week by week.

Sketch It: The 'Art' of Freehand Drawing

7 - 13 years

Sharpen your pencils and get ready to learn the basics of sketching! Discover the techniques behind a variety of drawing materials, including pencil, ink, charcoal, coloured pencils, and pastels. Each class will feature a different artistic focus, such as still life, portraiture, landscape, and drawing from a photograph, so you can find your next favourite artform. Learn perspective rules, shapes, shadowing, colour, composition, and more while growing your skill and passion for art.

Note: You will receive your own sketchbook to use each week and take home, and have access to all required art supplies during the program.

Superhero Drawing Studio

8 - 12 years

Delivered in partnership with
David Bluestein's Caped Creator

Every hero has an origin story. Here's your chance to draw yours! Learn how to create comic book artwork by developing your own heroic characters, poses, facial expressions, panels, layouts and backgrounds. Guided activities help build superstrong drawing habits while empowering creative thinking and adding a personal touch to your caped crusader. Instructed by a veteran animation and comic book artist, you'll level up your confidence, creativity and storytelling powers. By the final class, you'll walk away with a one-of-a-kind superhero inspired by your own strengths and interests, reflecting who you are, from first sketch to the last page.

Note: Supplies included.

One-of-a-Kind Crafts

7 - 10 years

Not your average arts and crafts hour! As a young creator, you will have the chance to explore, experiment and express yourself by making personalized, meaningful projects each week. You'll discover what you can do with your own two hands, transforming a variety of art materials, both ordinary and unexpected, into something entirely your own. No cookie-cutter crafts here — just the joy of making, the freedom to try new things, and the quiet confidence that comes from knowing, "I made this."

Culinary Arts

COOKING & BAKING

Young Chefs: Kitchen Foundations

7 - 10 years

Get hands-on with real food from day one. Learn how to measure, mix and prepare meals you'll actually want to make again at home. Each week introduces a combination of cooking, baking and no-bake treats, helping you build confidence and independence in the kitchen. Mini veggie burritos and baked French toast sticks are among many of the delicious, home-made recipes you'll explore. Learning how food comes together builds problem-solving skills, patience and pride in trying something new. Gain practical kitchen know-how and a stronger appreciation for food and recipes that will leave your whole family saying, "This is so good!"

Young Chefs: Treat Yourself

7 - 10 years

Turn up the heat and bake with confidence! Lean into the science and fun of baking as you learn to follow recipes, measure precisely and transform everyday ingredients into irresistible treats. But the reward isn't just the result – it's learning how precision, timing and creativity come together in baking. Improve your focus, sequencing and attention to detail and walk away knowing you have the skill to recreate these favourites again. Think mini brownies, chocolate-dipped ice cream cone cupcakes, chocolate molten lava cakes and snickerdoodle cookies. Sounds delicious, right?

STRATEGY GAMES

Chess for Beginners

5 - 9 years

Can we challenge you to a game of chess? Learn player fundamentals, including starting positions, how the pieces move, captures, check, checkmate, stalemate and pawn promotion. Chess is an educational game known for its many 'brainy' benefits: concentration, logic, memory, strategic thinking and problem solving — it's even been linked to improved academic performance! Plus, through friendly game play, learn how to handle wins and defeats, like a champ.

Martial Arts

BOXING

Boxing 101

8 - 14 years

Delivered in partnership with *Ignite MMA*

Explore the fundamentals of boxing through fun, high-energy drills that build coordination, strength and confidence. You'll learn basic stance, footwork, offence and defense while staying active and working with others in a structured, goal-focused way. Training is led by an active mixed martial arts fighter with a Poo Choi Kru (PC) ranking in Muay Thai and a brown belt in Brazilian Jiu-Jitsu. Your training will help you develop focus, discipline and teamwork while discovering just how powerful strong movements and good technique can feel. Every session balances learning, fitness and fun, giving you plenty of reasons to keep coming back.

Note: No previous martial arts experience is required, and all loaner equipment is provided at no extra cost. Participants may bring their own gloves if preferred. Children will be grouped according to their age and skill level.

TAEKWONDO

Taekwondo

6 - 12 years

Delivered in partnership with *Woodbridge Taekwon-Do Inc.*

Kids have a lot of energy! Taekwondo training gives them a healthy outlet while having fun, staying fit and learning focus, integrity, and confidence. Regular taekwondo classes at this age level helps build strength and character.

Note: Uniforms are required and will be made available for purchase on the first class from Woodbridge Taekwon-Do Inc. for an additional fee of \$85 (HST included). Belt testing occurs at the end of every course at the discretion of the instructor, when the child is deemed ready, and is required to progress through the levels. An additional belt testing fee, starting at \$70 (HST included) for White Belt is collected by the Woodbridge Taekwon-Do Inc. at the time of testing. Students coming from other clubs must show proof of belt certification in Chang-Hon Style of Taekwon-Do, otherwise they must start at the White Belt level. All new students are required to purchase new club uniforms. Class information on structure, fees and testing will be emailed prior to the first class.

VAUGHAN DANCE

Time to **SHINE**

Vaughan Dance Ballet: Recital

7 - 10 years

Dancers take the stage! From autumn to spring, aspiring performers (new dancers welcome!) learn graceful ballet techniques through choreographed routines. Young dancers are led through barre stretching, stationary, and across the floor work and games in a supportive environment – all while building confidence, coordination, and (of course!) rhythm. They'll have their time to shine, performing live on stage in a spring recital at the City Playhouse Theatre. Appropriate dance attire is highly recommended, including: canvas or leather ballet slippers, tights, bodysuit, and a tutu. Children receive a 'Vaughan Dance' t-shirt and drawstring tote bag.

Note: Fee includes a recital costume.

Recital date: Wednesday, May 19, 2027.

Not ready to perform on stage? Start with our recreational dance stream!

Performing Arts

DANCE

Bollywood Dancing

6 - 12 years

Delivered in partnership with Smiles Foundation

Join this uplifting, stress-free class that'll take you straight to the heart of Bombay, India, where you'll be introduced to a fun fusion of Bollywood and lyrical dance, combining vibrant rhythms, expressive movement, and basic choreography inspired by popular Indian films and shows. You'll practice hip isolations, rhythm patterns and storytelling through dance. New movers and seasoned steppers will fit right in. Own your moves, feel the fun in every beat and celebrate Indian culture.

Piano Primer: First Musical Journey

6 - 12 years

Delivered in partnership with
Arcadia Academy of Music

Having 'treble' learning to play the piano? Start learning music on a good note with hands-on keyboard instruction! Discover the fundamental skills of reading and performing music in correct rhythm, melody, and musical notation, including quarter notes, the keys on the piano, and rudimentary hand positions. With small groups of no more than six students per classroom, lessons are pressure-free and fun. Foster confidence, passion, and a strong musical foundation by taking the first step on your musical journey!

Note: Portable keyboards are available for each student at each class. Music books are extra.

Piano Primer: Second Musical Journey

6 - 12 years

Delivered in partnership with
Arcadia Academy of Music

Now that you can tickle the ivories, take the second step on your musical journey by learning new musical concepts such as note recognition, sight reading, and notes on the staff. With small groups of no more than six students per classroom, lessons are pressure-free and fun. Students will continue working through their first music book to further develop their understanding of the basics and explore new musical opportunities. Prerequisite: Piano Primer: First Musical Journey.

Note: Portable keyboards are available for each student at each class. Music books are extra.

THEATRE

**City Playhouse Academy:
Broadway Bound Act 1**
10 - 14 years

Dedicated performers: immerse yourself in a next level musical theatre experience. Learn acting, vocal and dance disciplines to become a well-rounded, triple threat performer. Our professional musical theatre instructors will guide you through rehearsal techniques, as well as a performance repertoire to prepare you for a Broadway musical revue in late November, complete with costumes, a revue set and lighting. Weekly activities will focus on building self-confidence, communication skills and teamwork while readying students for the final performance for family and friends on the City Playhouse Theatre stage. No previous theatre performance experience is necessary. Email playhouseacademy@vaughan.ca for more information.

City Playhouse Academy: Stage Stars
6 - 9 years

'Take the stage' learning how to act, sing and dance using dialogues, stories and scenes from popular musicals and children's plays concluding in a live musical theatre performance. This program focuses on teamwork, developing acting, singing and dancing skills, and building self-confidence. Strong reading skills are required.

Note: Final showcase details will be provided by the instructor. Email playhouseacademy@vaughan.ca for more information.

DESIGN & ANIMATION

Toon Animation

6 - 12 years

Delivered in partnership with *Kids Great Minds*

Begin your computer animation journey to create your very own animated cartoon movie. With step-by-step guidance, you'll unleash your creativity and master the 12 principles of animation to bring your stories and characters to life. Take part in an unforgettable experience where learning and imaginative expression will pop off the page — with a final showcase of the awesome animated movies at the conclusion of the program!

ROBOTICS

Hands-on Robotics: LEGO® SPIKE™ Essentials - Level 1

6 - 8 years

Delivered in partnership with *Logic Fusion*

'Build' confidence as you watch science, engineering and physics 'connect'. Using your LEGO® SPIKE™ Essential system, each week you will code a set of robots and structures to help solve problems and create stories. You will quickly learn to be a 'master builder' by using motors, lights and sensors to help you navigate, throw a ball and avoid obstacles through challenges brick by brick.

Minecraft Urban Innovations

8 - 12 years

Delivered in partnership with *Engineering for Kids*

Build your own futuristic and sustainable city using Minecraft. Apply basic civil engineering concepts to design and construct innovative roads and structures. Learn how the layout of roads, sidewalks, and bike lanes promote urban sustainability and how the United Nations is using Minecraft in the process of urban planning and design. Make your city come alive as you navigate engineering challenges, manage resources and work collaboratively with your fellow engineers.

AR/VR World Crafting Adventures

8 - 12 years

Delivered in partnership with *Wize Computing Academy*

Step into the world of imagination and innovation in this engaging program where you'll harness the power of CoSpaces EDU — a kid-friendly platform for building interactive 3D, augmented reality and virtual reality worlds — and block coding to design and build your own AR and VR experiences. Through a blend of digital storytelling, creativity and technology, you'll bring your ideas to life through a variety of hands-on projects: you might create interactive journeys, animate and visualize real-world processes in 3D, or design dynamic scenes full of movement and surprises. Learn to code in a fun, visual way while enhancing your world-building, animation and design skills.

Build your own AI Chatbot

9 - 14 years

Delivered in partnership with *Logic Fusion*

Not long ago, building a chatbot required teams of engineers and years of development. Today, anyone can build one — including you. Learn how to design, build and deploy your own chatbot using real code, open-source tools and modern AI techniques. Want to create a helpful assistant or a bot that tells terrible jokes on command? Build it! Over the course of the program, you'll develop core skills in conversational design and AI-powered interactions while building and refining a chatbot you can test and improve each week. It's fun, challenging and by the end of the program, you'll have a working chatbot. No PhD, million-dollar budget or prior experience required!

Coding with AI and Scratch

6 - 8 years

Delivered in partnership with *Logic Fusion*

Students will combine the creativity of Scratch coding with the power of artificial intelligence to design smarter, more interactive games and projects. Through hands-on activities, they'll learn how to use hand gestures to control characters, recognize movements, and program intelligent responses that adapt to player actions. Along the way, students will gain an understanding of how AI learns and reacts, while strengthening their coding, logic, and problem-solving skills. This course offers the perfect balance of playful exploration and meaningful learning, helping young creators see how technology can bring their ideas to life.

NEW! Design It Digital: Create with Canva

10 - 14 years

Delivered in partnership with *Kids Great Minds*

Ever wondered how posters, logos and social media graphics go from idea to scroll-stopping design? In this hands-on experience, turn your ideas into polished visuals using Canva, a beginner-friendly design tool. Explore layout, colour and typography while creating real-world projects. You'll also learn how design choices shape messages, practice giving and receiving feedback and build confidence sharing your work with others. By the end, you won't just make designs, you'll understand how to communicate ideas clearly and creatively in a digital world. No drawing or design skills required – just curiosity, creativity and a willingness to experiment.

Note: All devices and materials are provided.

Skate & Hockey

Learn to Play Hockey & Learn to Skate

All participants must bring their own skates and wear a CSA approved helmet with a face shield/cage. For hockey lessons, a full set of hockey equipment is required, including: neck guard, shoulder pads, elbow pads, shin pads, pants, jock, socks, stick, gloves and jersey. For skating lessons, winter clothing, including gloves, are recommended. Participants will be grouped according to their age and skill level. Lessons that are held on outdoor rinks may be cancelled in the event of inclement weather.

HOCKEY

Learn to Play Hockey: Beginner

7 - 12 years

Hockey lessons for players with little or no ice-hockey experience. Learn proper puck handling skills, edge control, and fundamental passing and shooting techniques through drills and modified game play. This learn to play hockey program is an ideal start for children interested in playing in a league.

Note: This is not a learn to skate program. All participants must bring their own skates and wear a CSA approved helmet with a face shield/cage. A full set of hockey equipment is required, including: neck guard, shoulder pads, elbow pads, shin pads, pants, jock, socks, stick, gloves and jersey. Participants will be grouped according to their age and skill level.

**Learn to Skate: Advanced****6 - 12 years**

Skating lessons for experienced skaters who are ready to take their skating to the next level. Master your control and speed on the ice while learning techniques such as forward and backward crossovers, one-foot stops, and two-foot turns from forward to backward and backward to forward. Upon completion, skaters can confidently advance to more specialized areas of skating such as ice hockey and power skating.

Prerequisite: Learn to Skate: Intermediate.

YOU'RE MADE TO PLAY.

FIND YOUR GAME!

- ✓ **PLAY FOR THE CHALLENGE.**
Push yourself and keep getting better.
- ✓ **PLAY FOR THE TEAM.**
Build friendships that last beyond the game.
- ✓ **PLAY FOR THE LOVE OF THE GAME.**
Celebrate unforgettable moments.

**BUILD SKILLS.
GAIN CONFIDENCE.**

Every athlete starts somewhere. Find your game and discover what you're capable of. Whether you're trying a sport for the first time or building on existing skills, Vaughan Sports offers instructor-led programs designed to build confidence, develop technique and inspire a lifelong love of sport in a fun, supportive environment.

BASKETBALL LEAGUES

Build shooting, passing and ball-handling skills while learning teamwork, game strategy and confidence on the court.

City-wide championship

SOCCER LEAGUES

Develop dribbling, passing and shooting techniques while building communication, teamwork and game awareness.

City-wide championship

BALL HOCKEY TRAINING

Improve stickhandling, passing and shooting skills while learning positioning, strategy and how to play as a team.

VOLLEYBALL TRAINING

Strengthen serving, passing, setting and hitting skills while developing coordination, confidence and teamwork.

READY TO PLAY? REGISTER NOW!

BASKETBALL

Vaughan Sports: Basketball League

Fast breaks, quick decisions and nonstop movement — this is basketball built for players ready to raise the pace of play. Step into a higher-energy game environment where shooting, ball handling, passing and defensive positioning are sharpened through gameplay situations, fast-paced drills and team competition. Read the floor, react under pressure and bring intensity to every possession. Build chemistry with your team and compete for a city-wide championship title at the end of the season.

Note: The championship tournament may be scheduled outside of regular program dates or locations. Team jersey included. Additional details will be provided by the coach. Specialized sports equipment or gear may be required/recommended

Vaughan Sports: Girls Basketball League

7 - 9 years

This girls-only league creates a space where self-identifying girls can develop their basketball skills, compete with confidence and be part of a supportive team environment. Through skill-building sessions, game play and friendly competition, players will improve their shooting, ball handling, passing and defensive awareness while learning the value of teamwork, leadership and perseverance.

Note: The championship tournament may be scheduled outside of regular program dates or locations. Team jersey included. Additional details will be provided by the coach. Specialized sports equipment or gear may be required/recommended

BALL HOCKEY

Vaughan Sports: Ball Hockey Training

9 - 12 years

Swap a puck for a ball and keep lighting the lamp. This non-competitive ball hockey training experience helps participants build technique, decision-making and confidence between league play through focused instruction and dynamic drills. Develop stick-handling, crisp passing, accurate shooting and smart positioning while improving awareness, timing and control on the floor. Keep momentum going, stay sharp and come ready to play with purpose.

Note: CSA-approved hockey helmet with a full-face guard is mandatory. Team jerseys and end-of-session tournament are not included in this offering. Specialized sports equipment or gear may be required or recommended.

SOCCER

Vaughan Sports: Soccer League

Train in a more competitive soccer environment designed for players looking to further develop their skills and understanding of the game. Through structured coaching, technical drills and gameplay situations, you'll refine your passing, dribbling and striking while strengthening positional awareness. Focused practices help improve game strategy, decision-making and overall confidence on the field. Finish the season by competing in a city-wide championship tournament and continue progressing alongside teammates who are just as passionate about soccer as you are.

Note: The championship tournament may be scheduled outside of regular program dates or locations. Team jersey included. Additional details will be provided by the coach. Specialized sports equipment or gear may be required/recommended.

VOLLEYBALL

**Vaughan Sports:
Volleyball Training**

Progress doesn't stop when the season ends. This non-competitive volleyball training program is for players looking to sharpen their technical abilities, improve court awareness and develop their skills outside of league play. Through focused coaching and high-repetition drills, you'll refine serving, bumping, setting and spiking while building confidence, consistency and control on the court. Train with intention, stay disciplined and keep your game moving forward.

Note: Team jerseys and end-of-session tournament are not included in this program. Specialized sports equipment or gear may be required/recommended.

Culinary Arts

COOKING & BAKING

Teen Chefs: Flavour Faves

11 - 14 years

Cook with purpose and move beyond basics into real-world cooking skills that grow with you. Prepare savoury dishes and complete meals from scratch while learning foundational techniques like saucepan control, sautéing, sauce-building and flavour balancing. What are some of the recipes to look forward to, you ask? Think creamy tomato pastas, cheesy garlic bread, breakfast tacos and fresh blueberry muffins. Gain a stronger understanding of nutrition, food preparation and kitchen safety – skills that equip you to feel capable, self-reliant and confident in the kitchen, whether feeding yourself or others. It's time to shout "Yes, Chef!" and get in our kitchen!

Martial Arts

TAEKWONDO

Taekwondo

13 - 17 years

Delivered in partnership with *Woodbridge Taekwon-Do Inc.*

Kids have a lot of energy! Taekwondo training gives them a healthy outlet while having fun, staying fit and learning focus, integrity, and confidence. Regular Taekwondo classes at this age level helps build strength and character.

Note: Uniforms are required and will be made available for purchase on the first class from Woodbridge Taekwon-Do Inc. for an additional fee of \$87 (HST included). Belt testing occurs at the end of every course at the discretion of the instructor, when the child is deemed ready, and is required to progress through the levels. An additional belt testing fee, starting at \$71 (HST included) for White Belt is collected by the Woodbridge Taekwon-Do Inc. at the time of testing. Students coming from other clubs must show proof of belt certification in Chang-Hon Style of Taekwon-Do, otherwise they must start at the White Belt level. All new students are required to purchase new club uniforms. Class information on structure, fees and testing will be emailed prior to the first class.

Performing Arts

MUSIC & INSTRUMENTS

Guitar: Private

14 - 17 years

Delivered in partnership with
Rockstar Music Central

Shred your heart out in this immersive introduction to the most popular instrument on the planet: the guitar! Learn proper guitar-handling, basic theory, timing, strumming, reading music, traditional notation, tablature and chords. Participants will gain a strong foundation of the guitar and might just discover a lifelong love for this immensely popular instrument! Participants are encouraged to bring their own acoustic or classical guitar.

Note: Guitar rentals can be arranged with Rockstar Music Central for an additional \$45 plus HST for the duration of the session.

THEATRE

City Playhouse Academy: Teen Players

13 - 17 years

Take your triple threat training to a more advanced rehearsal and performance level - requiring discipline, teamwork, focus and personal commitment. The acting, singing and dance components of our Teen musical theatre program are at a higher level and taught by musical theatre professionals. The program will include performing in two Broadway musical showcases specially designed for teen performers at the City Playhouse Theatre.

Note: Fee includes 1 City Playhouse Academy Cast T-shirt. Email playhouseacademy@vaughan.ca for more information.

BASKETBALL

Vaughan Sports: Basketball League

13 - 15 years

Fast breaks, quick decisions and nonstop movement — this is basketball built for players ready to raise the pace of play. Step into a higher-energy game environment where shooting, ball handling, passing and defensive positioning are sharpened through game-play situations, fast-paced drills and team competition. Read the floor, react under pressure and bring intensity to every possession. Build chemistry with your team and compete for a city-wide championship title at the end of the season.

Note: The championship tournament may be scheduled outside of regular program dates or locations. Team jersey included. Additional details will be provided by the coach. Specialized sports equipment or gear may be required/recommended

DODGEBALL

YRP Dodgeball Alliance

12 - 17 years

Delivered in partnership with
York Regional Police (YRP)

Ready to duck, dip, dive and dodge? This isn't recess dodgeball. This is next-level. Sharpen your throwing technique, master dodging tactics and build real teamwork skills that actually win games. Every week, you'll jump into skill drills, squad challenges and friendly scrimmages led by officers from York Regional Police, who aren't just running it, they're playing, too — offering mentorship, encouragement and leadership development through sport. Week 9? That's your championship moment. A full-scale finale tournament where you and your team put everything to the test. Family and friends can come watch you leave it all on the court in a spirited competition. Game face on. Let's go!

Volunteer Leadership Program

14 - 17 years

Make a difference. Be a volunteer. Make new friends, build confidence and gain valuable skills for future employment, including leadership, teamwork, self-government, and introduction to the HIGH FIVE Principles of Healthy Child Development (PHCD). This program serves as a prerequisite for volunteering in recreation and aquatic programs, school break and summer camps, and inclusion programs and camps. Following successful completion of the course, Recreation Services staff will work with candidates to coordinate a volunteer placement at a Vaughan community centre.

NEW! Prenatal Yoga

Stay grounded through pregnancy with prenatal yoga. Each class focuses on trimester-appropriate poses, mindful breathing and pelvic floor awareness designed to improve comfort and mobility. Build strength for everyday movement while learning breath techniques that can help manage stress and encourage calm. Prenatal yoga supports posture, circulation and body awareness, while helping you feel more comfortable, calm and better equipped to care for your changing body. Led by a certified prenatal yoga instructor, classes also offer time to connect with others navigating a similar stage of life.

Note: Participants must bring their own yoga mat.

Health & Wellness

HEALTH & WELLNESS

Dementia-friendly Walking Club

50 - 64 years

Join a gentle and supportive weekly walking group designed for individuals living with dementia and their caregivers. Enjoy light physical activity indoors and outdoors, move at your own pace, take breaks when needed and connect with others who understand your journey. The program promotes well-being, aims to reduce isolation and creates meaningful moments alongside others navigating dementia. Please register the primary participant. Care partners attend at no additional cost. Wear walking shoes and loose comfortable clothing.

HEALTH COUNSELLING

Emotion in Motion: Movement-based Mental Health for Women

Delivered in partnership with
Vaughan Counselling & Psychotherapy

This program offers women a space to reconnect with their bodies, release stress and explore emotions through guided movement. Unlike fitness or yoga classes, the focus is not on exercise, but on using movement, breath and expression as tools for emotional well-being. Led by a registered psychotherapist (qualifying), each session integrates gentle body-based practices with reflective discussion. You'll learn how emotions show up in the body, explore strategies for releasing tension, and practice grounding techniques you can carry into daily life. The group format creates a supportive, nonjudgmental community where women can feel empowered, connected and understood. This program highlights the important link between body and mind, making mental health care accessible in a fresh and engaging way. By the end of the series, you'll have practical strategies to regulate emotions, manage stress and nurture yourself through movement.

Martial Arts

SELF-DEFENCE

NEW! Practical Self-Defence for Women

Delivered in partnership with *Ignite MMA*

Learn practical self-defence skills through boxing, kicking and controlled grappling, all taught in a real-world context. Training is led by an active mixed martial arts fighter with a Poo Choi Kru (PC) ranking in Muay Thai and a brown belt in Brazilian Jiu-Jitsu, bringing experience that focuses on what's effective and efficient. Sessions move with purpose and energy, balancing the physical challenge of training with clear instruction that helps skills click quickly. The result is greater awareness, coordination and confidence in knowing what your body can do.

Note: All equipment provided. Participants may bring their own gloves if preferred.

Older Adult: 65 years+

All older adult programs are for individuals **65 years+** unless otherwise noted.

Creative Arts

LEISURE ACTIVITIES

Learn to Crochet

In this beginner-friendly program, you'll get comfortable with yarn and tools, practice simple stitches and follow easy patterns to create your first project, like a scarf or dishcloth. With guidance from a patient instructor, each session blends step-by-step learning with time to connect, share stories and enjoy the process as a group.

Note: Crochet hooks and yarn provided.

NEW! Nordic Pole Walking

Nordic pole walking is a full-body experience, engaging both upper and lower muscles while supporting joint health and stability. Learn proper pole technique, posture and walking mechanics that help improve cardiovascular health, mobility and overall strength. Using poles can make walking feel more comfortable and steady while naturally increasing intensity in a way that feels manageable. Each session includes a warm-up, guided walk and cooldown, along with time to connect with others.

Note: Nordic walking poles provided. Sessions take place outdoors when possible, with indoor walking options available in case of inclement weather.

Qigong

Clear your mind while toning your body. Adults of any fitness level can practice Qigong, an ancient Chinese Energy (Qi) Exercise (Gong). Slow movements in a standing or seated position, controlled breathing, and mindful concentration challenge the human body to adapt to certain postures and movement, providing an overall holistic way of achieving physical fitness.

Tai Chi: Intermediate/Advanced

Build on your existing tai chi skills and knowledge as you refine technique and develop greater fluidity across extended movement sequences. You'll explore both the Yang 24 and more complex forms, strengthening coordination, balance and control through sustained, connected motion. Continued practice supports body awareness and focus while contributing to improved sleep, reduced blood pressure and relief from arthritic discomfort.

HEALTH & WELLNESS

Dementia-friendly Walking Club

Join a gentle and supportive weekly walking group designed for individuals living with dementia and their caregivers. Enjoy light physical activity indoors and outdoors, move at your own pace, take breaks when needed and connect with others who understand your journey. The program promotes well-being, aims to reduce isolation and creates meaningful moments alongside others navigating dementia.

Note: Please register the primary participant. Care partners attend at no additional cost. Wear walking shoes and loose comfortable clothing.

Inclusion

Accessible, diverse & inclusive environment

The City of Vaughan is committed to:

- providing a welcoming and inclusive environment where diversity is celebrated and where everyone can develop to their full potential, participate freely in society, and live with respect, dignity and freedom from discrimination
- providing high quality accessible leisure opportunities for citizens of all ages and abilities
- identifying and removing barriers in accessing recreational services
- collaborating and supporting the ongoing efforts of the Vaughan Accessibility Advisory Committee
- celebrating successes and initiatives that promote accessibility, diversity, equity and inclusion.

For more information, contact
Inclusion and Support Services
905-832-2281 ext 7408 or
inclusion@vaughan.ca

Program Code of Conduct

The City of Vaughan is committed to ensuring a respectful environment, free from harassment, discrimination, violence, verbal abuse or vandalism. Recreation staff will make every effort to integrate a participant into programming and accommodate their individual needs. However, under the **City of Vaughan Health and Safety Policy** and **Safe Recreation Policy** we reserve the right to remove and withdraw a participant from the program should their behaviour pose a potential risk of self-harm, or harm to other participants, staff, patrons or property.

Note: Participants must first complete an assessment prior to being registered into a program. Inclusion staff will contact the parent/guardian to assess the needs of their child and identify their eligibility for the program, then complete a **Participant with a Disability Form** and register the participant.

For details email inclusion@vaughan.ca.

Culinary Arts

COOKING & BAKING

Flavour Fusion

18 - 65 years

Delivered in partnership with
Community Living York South

A cooking program specifically designed to cater to individuals with special needs, offering a unique and supportive environment where participants can explore the culinary arts. This program aims to empower participants by enhancing their cooking skills, fostering social interactions, and promoting independence through the joy of creating diverse and delicious dishes.

DAY PROGRAM

Vaughan Enriched Day Program

18 - 64 years

Want to stay involved in your community but need supervision? Receive mental and social stimulation in this day program by participating in fun, instructor facilitated group and age-appropriate activities like bocce, bowling, social games, swimming, and exercising in the fitness centre. Plus, learn practical household tasks such as cleaning, and cooking. Develop independence, confidence, and a sense of belonging among new friends. The Vaughan Enriched Day Program has been servicing the community for several years, helping individuals with various disabilities lead inclusive, quality lives.

LIFE SKILLS & SOCIAL DEVELOPMENT

Building Connections for Neurodivergent Families

Delivered in partnership with *InspiredAbility*

Join this warm and supportive space where neurodivergent participants and their families form stronger bonds. Through guided collaborative activities led by a certified recreation therapist, you'll take part in adapted games and shared experiences while building communication strategies, confidence and tools you can use in everyday life. Participants also have opportunities to share experiences, challenges and successes in a supportive environment that fosters connection and belonging. Families leave feeling empowered, more confident, and closely connected, while forming friendships and developing social and recreational skills. All participants attend alongside a parent, caregiver or sibling for the full session, ensuring opportunities to connect and grow together.

NEW! Skills Builder Adventure Club: Social Skills

8 - 12 years

Delivered in partnership with *the Learning Disabilities Association of York-Simcoe*

This interactive program supports children with learning disabilities (LD) and attention-deficit/hyperactivity disorder (ADHD) as they build confidence and strengthen social and emotional skills. Led by expert facilitators, participants practice communication, friendship building, emotional regulation, problem-solving and self-advocacy, while also developing strategies to manage stress and navigate bullying, including online interactions. Using the evidence-based PEERS® curriculum and Social Thinking® approach, the program helps children build skills that support successful participation at school, at home and in the community, while fostering a stronger sense of belonging.

Note: Participants are required to be a member of the Learning Disabilities Association of York-Simcoe prior to registering for this program.

THEATRE

NEW! Musical Theatre Motivation

13+ years

Delivered in partnership with
Thatz Showbiz Theatre Project

This inclusive performing arts experience invites participants, who are neurodivergent and/or have intellectual disabilities, to explore singing, acting, movement and storytelling in ways that are adapted to their strengths, interests, and needs. Instructed by professional singer, performer, arts educator, researcher and PhD candidate, Sarah Magni, each week, you build creative skills, confidence and connection while working collaboratively toward performing a musical theatre classic. Get your vocal cords warmed up as you boost your social and communication skills, as well as, your problem solving, fitness, presentation, and public speaking abilities. The program wraps up with a performance for family and friends, celebrating the journey as much as the final result. Whether you're new to theatre or returning to the stage, this is a place to explore, participate and be heard through shared creative expression.

Inclusion Support

Recreation Services encourages and supports the participation of individuals with disabilities in diverse recreational opportunities, at a level of participation suitable to their ability and program of choice.

If an individual requires support to participate in a program, a caregiver/guardian can accompany the individual into a program free of charge.

To determine the eligibility criteria for a Support Person Access, you must complete an assessment with the Inclusion and Support Services team at 905.832.2377 ext. 7408 or email inclusion@vaughan.ca.

Need an Inclusion Counsellor?

Your child will require 1:1 support to participate in all recreational programs if he/she:

- requires additional support at school, home or in the community with basic needs such as dressing, personal care or feeding;
- has a tendency to exhibit aggressive behaviours;
- does not understand danger;
- has a disability that affects his/her communication, mobility, comprehension and/or socialization.

If your child requires 1:1 support, arrangements can be made to hire an **Inclusion Counsellor** (an experienced 1:1 worker) on your behalf. Inclusion staff receive specialized training and are certified in:

- Intermediate First Aid & CPR-C
- High Five Quality Assurance
- Safe Management – Non-violent Crisis Prevention Certification

Note: It is the responsibility of the parent/guardian to cover the cost of the Integration Counsellor.

Need a Volunteer?

Volunteer support is offered to an inclusion program participant that:

- is diagnosed with a disability;
- requires some support, may have difficulties with completing tasks, following directions and/or social skills.

Note:

- Demand for volunteers often exceeds supply and cannot be guaranteed.
- Volunteers may be working with individuals with disabilities for the first time.
- They do not assist with personal care, administering medication, lifts and transfers, or with children with behavioural challenges.

For health and safety reasons, if a volunteer is not available or suitable for a participant's needs, parents/caregivers will be required either to provide their own support worker or hire an Inclusion Counsellor through the Department.

Need your own support worker?

It is in the best interest of the child to have a support worker who:

- has had previous and successful experience working with children and, preferably with your child;
- has a good understanding of your child's needs; and an ability to interact with him/her successfully;
- will participate and blend easily into a recreational setting.

1:1 support experience could include any of the following:

- mediation experience (supplied by family, agency, association, organization, etc.);
- babysitting experience;
- a family member or friend (if suitable, close to the age of staff/instructors) who can participate in all recreational activities.

Note: All personal support workers must provide a Vulnerable Sector Check and sign a release of liability.

Inclusion Support & Resources

Support Person Access

- An identified “support person” who accompanies a person with a disability in a program shall enter the program at no cost/fee.
- The support person shall assist/support the person with a disability in the program at all times, and shall be within arms length from the individual with a disability.
- Eligible support persons must obtain approval in advance in an effort to facilitate easy access/entry to recreation programs and services.
- A fee is applicable should the support person be participating in a program not in the capacity or acting in the role of a “support person.”

To be eligible for support person access, contact the Recreation Supervisor, Inclusion and Support Services at 905.832.2377 ext. 7408 or email inclusion@vaughan.ca.

York Region Recreation Subsidies

York Region offers subsidies for recreation programs, day camps and youth overnight camps. Recreation programs and day camp subsidies provide children from families with low income the ability to take part in programs offered by the municipal recreation departments. The youth overnight camp funding helps eligible youth ages 12 to 17 attend an approved overnight camp.

Three subsidies that are available are:

- Positive Leisure Activities for Youth (PLAY) available to eligible families to assist children ages four to 18 and single parents to access municipal recreation programs in the fall, winter, spring and summer.
- Summer day camp funding, available for children ages four to 12 to attend municipal camps that operate during July and August. The approval period for the summer day camp subsidy is from January to August.
- Youth overnight camp funding is for children ages 12 to 17 and is available for camps during July and August.

York Region does not guarantee space in programs or camps.

For eligibility criteria, visit york.ca or call the KIDS LINE (1-888-703-KIDS).

PARTNER WITH US!

Third-party partnerships are integral to the City's mission of delivering a range of high-quality specialized programs that meet the diverse and evolving interests and needs of Vaughan residents. They allow us to enhance community engagement, drive innovation and tap into unique expertise that enriches our program offerings and captures the imagination of the community.

The City is committed to nurturing these valuable collaborations and exploring new opportunities to better serve our community. We invite you to join us on this exciting journey!

"Our partnership with the City of Vaughan has been an instrumental piece to our business' growth and success. It has allowed us to connect with the families in an accessible way by bringing Mindfulness and Kids Yoga programs to communities across Vaughan."

Kristine Cuenca, Kind Mind Kids Co.

WHY PARTNER WITH US?

- Secure a unique opportunity to reach a wide demographic of individuals
- Expand your brand's reach and impact.
- Increase brand recognition and credibility.
- Gain support with marketing and logistics.
- Acquire access to state-of-the-art community centres, parks and recreational facilities in convenient locations across the city.
- Enjoy a stable partnership with the City with dedicated staff to plan and support.
- Support the well-being and quality of life of citizens.

PARTNERS WE'VE WORKED WITH

“Our programs and camps are consistently filled, with happy students coming back for more. This is a testament to the great work that Laura and team have been doing in the background to make everything run smoothly. Thank you Laura and team for the opportunity. We couldn’t ask for a better partner!”

Matthew Chan, LogicFusion

EXPLORING NEW FRONTIERS

We continuously seek new partnerships that will allow us to expand into exciting new areas and are particularly interested in hearing from vendors who specialize in delivering niche programming in:

- Financial literacy and mental health
- Enriching culinary and cultural programs highlighting the traditions, cuisines and various art forms of diverse cultures
- Aquatic sports and therapy

MINIMUM REQUIREMENTS FOR PARTNERSHIPS

- ✓ Commercial General Liability Insurance of \$5 million (with the requirement that the City of Vaughan be listed as an additional insured on the policy).
- ✓ Workplace Safety and Insurance (including the provision of a current copy of your Liability Insurance Certificate).
- ✓ Intermediate First Aid & CPR-C certifications and Police Vulnerable Sector Check for each staff member.

CONNECT WITH US!

1. Send an email with a brief introduction of your organization and the types of unique programs you offer to communityprograms@vaughan.ca.
2. Once your initial expression of interest is received, you will be invited to complete a form detailing programming ideas and resource requirements for review.
3. Once programming is deemed compatible, an agreement will be entered into detailing the terms of the partnership, roles and responsibilities, timelines, support provided by the City, etc.
4. With the agreement in place, we’ll work together to launch our partner program. This includes marketing support, logistical arrangements and continuous collaboration to ensure the program’s success.
