

# Disruption Alert

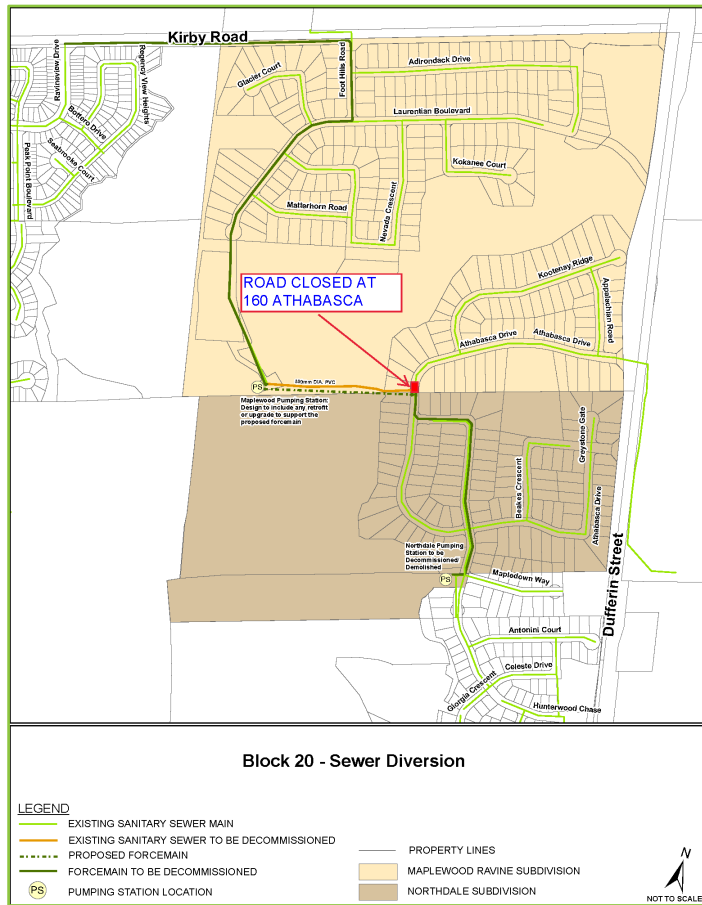

## One-Day Road Closure | Week of Feb. 14, 2022 160 Athabasca Drive to Mapledown Way, Maple

January 28, 2022

Please be advised that there will be a temporary, one-day road closure at 160 Athabasca Drive to Mapledown Way, Maple, during the week of Feb. 14, 2022, to facilitate the installation of new sanitary sewer pipe. The closure is currently scheduled for Feb. 16, weather permitting.

These works are part of the planned improvements to the existing sanitary sewer system infrastructure and support the City’s continued commitment to ensuring long-term sustainability of municipal infrastructure.

During the closure, access will be restricted, and site conditions may be affected. Please refer to the construction map below for specific work areas:

**We please ask that all residents and visitors exercise caution and respect the construction signage, fencing and barriers, and avoid entering areas under construction.**

We apologize for any inconvenience.

Project updates are available at [vaughan.ca/InfrastructureProjects](http://vaughan.ca/InfrastructureProjects).

For more information, please contact Access Vaughan at 905-832-2281. After hours, please call the dispatch office at 905-832-2281 and press 0.
