King-Vaughan Road Bridge

The City of Vaughan is building a new bridge on King-Vaughan Road between Highway 27 and Kipling Avenue. As part of the City of Vaughan's 2021 Capital Works Program, construction to replace the existing temporary bridge with a permanent solution will begin on Monday, June 21, 2021. Construction is anticipated to be completed by the end of November 2021, weather permitting.

Planned Construction Work

Construction will include removal of both the temporary steel modular bridge and the remaining elements of the original bridge that was constructed in 1920. A new single-span, two-lane concrete bridge is being constructed in its place.
