## **Overnight Construction and Temporary Closures — Jardin Drive at Keele Street Thursday, May 12 at 7 p.m. to Friday, May 13 at 6 a.m.**

Due to watermain construction, access to Jardin Drive to and from Keele Street will be temporarily closed from Thursday, May 12 at 7 p.m. to Friday, May 13 at 6 a.m.

This necessary municipal work - to replace the existing watermain within the intersection - is being staged overnight to complete the work safely and to minimize disruption to the community.

In the event of inclement weather or unfavourable site conditions, the temporary closure and work will be rescheduled for the following evening.

Please note:

- Traffic detours will be in place during the overnight closure and vehicular access to/from Jardin Drive will be available via Rockview Gardens.
- Ongoing lane reductions on Keele Street will be in place until November 2022, as watermain construction progresses along Keele Street, from Jardin Drive to Langstaff Road.
- Electronic message boards are in place along Keele Street to provide construction updates.

We apologize for any inconvenience.
