

NOTICE OF PUBLIC INFORMATION CENTRE

VAUGHAN METROPOLITAN CENTRE – BLACK CREEK RENEWAL MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT

The City of Vaughan is undertaking a Municipal Class Environmental Assessment (EA) Study to establish the alignment and form of Black Creek through the southeast quadrant of the Vaughan Metropolitan Centre (VMC) Secondary Plan Area. The study area is shown in the key map below. The study will evaluate a range of alternative designs for the renewal of Black Creek within the VMC.

The study is being conducted in accordance with Schedule 'C' of the Municipal Class Environmental Assessment process.

To facilitate public input, a Public Information Centre (PIC) will be held, as follows:

Date: Wednesday, May 10, 2017
Time: 6 p.m. – 8 p.m.
Location: Vaughan City Hall (Multi-Purpose Room)
2141 Major Mackenzie Dr., Vaughan, ON

The purpose of the PIC is to provide an overview of the project, the goals and objectives of the study, the problems and opportunities to be addressed, the alternative creek alignments considered, and the preliminary preferred design. Representatives from the City of Vaughan and the consulting team will be available at the PIC to explain the information presented, discuss any issues or concerns you may have, and receive information for consideration throughout the study.

This Notice of PIC is being issued to notify the public of the project and invite comment. Should you have any questions or comments, require further information, or wish to be added to the study mailing list, please contact one of the following study team members:
