Perhaps the agent can provide a clearer plan showing which trees will remain and which will be removed.

Todd,

Thanks for returning my call.

I am keen to find out which trees they are planning to take down on 94 Arnold Ave.

My house is on the immediate north of the property (95 Thornridge) and therefore we are most interested that the neighbourhood retain its existing character.

The Notice Of Application drawing is hard to read and I cannot identify which trees are intended to be cut down.

Please let us know as soon as possible.

Thanks very much!
