Hi Pravina

Daniel Rende sent comments last night to Gillian McGinnis on this after our meeting last night.

Comments are below:

Heritage Vaughan at their meeting of March 26, 2014 reviewed the application for new construction at 20 Bell Court and did not support the application for new construction at the site.

Therefore, based on this recommendation, Heritage Vaughan does not support the 14% lot coverage as it relates to the committee of adjustment application for 20 Bell Court.

The following recommendation should be forwarded to the Committee of Adjustment:

Heritage Vaughan recommends:

1. *That the proposed increase in lot coverage not be approved.*

Please contact me if you have any questions
