Request for Adjournment

Attention: Mr. Todd Coles  
Secretary-Treasurer

Dear Mr. Coles:

Re: B004/16, B005/16, A092/16 and A093/16  
Consent Application & Associated Easement and  
Minor Variance Applications  
2175 Teston Road

We are in receipt of staff and agency comments on the above-noted applications which are scheduled to be heard by the Committee of Adjustment on March 17, 2016. Development Planning staff has requested adjournment of the applications until a detailed survey can be submitted for review. We are in the process of having a detailed site plan prepared which will include all the information requested. However, the site plan will not be available until late in the day on March 15. Therefore, we respectfully request adjournment of the applications for three weeks to allow sufficient time for City of Vaughan Planning and Zoning staff to review the site plan and prepare revised comments for the Committee.

Should you have any questions or require any additional information, please do not hesitate to contact me.

Yours truly,

Arlene Beaumont
