RE: Consent & Minor Variance Application
14 Thornridge Drive, Thornhill
B006/16, A103/16 and A104/16

We live beside the property for which an application for consent and minor variance has been made. We understand that the applications will allow for the severance of the property into two lots, each proposed to be developed with a two-storey single family dwelling. The concept plan which we have seen is shown below. We support the applications and do not believe that it will have an adverse impact upon the use of our property or home.

Yours truly,
