Good morning Lenore,

Is it still possible to go with option A)?

- a) **Please adjourn the application to the next available hearing date (February 7, 2019) to permit time to address the comments provided. If additional time is required, please advise.**

I confirmed yesterday with the client that they would rather go ahead with the meeting but I received an email this morning stating they would rather go with the adjournment to February 7,2019.

Please let me know,

Thank you and sorry for the inconvenience,

**Brent Smith**
