Subject: RE: A007/19 - Request for Comments

Hi Christine,

MTO Highway Corridor Management Section has reviewed the location of the following Application for Minor Variance:

A007/19 – 150 Gibraltar Road, Woodbridge

Although the Ministry has no comments in regards to the Application for Minor Variance at this time, please advise the proponent that the subject land is located within MTO Permit Control Area, as a result, an MTO Building and Land Use Permit is required prior to the commencement of any on-site construction/works. Information regarding the application process, forms and the policy can be found at the link:

<http://www.mto.gov.on.ca/english/engineering/management/corridor/building.shtml>

Please use the link below to the Ministry's online permit application site to apply for an MTO Building and Land Use Permit:

<https://www.hcms.mto.gov.on.ca/>

Also, please advise the proponent to include the following materials as part of their online application:

- Site Plan;
- Civil Engineering Plans, stamped and signed by a Professional Engineer of Ontario;
- Stormwater Management Report, stamped and signed by a Professional Engineer of Ontario.
- Traffic Impact Study, prepared by a RAQS consultant, stamped and signed by a Professional Engineer of Ontario.

If you have any questions, please feel free to contact me.

Thank you,

Paul Nunes | Corridor Management Officer
