Notes:

- Groups applying for CSO status intending to offer a similar or duplicate service to an existing one will not be approved if the existing group is not in agreement and can meet the overall demand for the service.
- Given that new groups have the potential of reducing the number of hours available to existing users, new user groups will only be considered in cases where a program provides a service to previously underserved segments of the population or where a new program is being introduced that is not available through existing organizations.
- Groups requiring additional inventory / time for new initiatives or increases in membership must receive approval for supplementary inventory / times prior to the development of the program. Waitlists must be taken by groups wishing to expand their membership.
- Minor (children and youth) CSO's offering sport programs with representative teams must be affiliated with a regional or provincial sports body.
- CSO's (excluding Social Service Organizations) are required to file their application requirements annually with the City of Vaughan, Recreation Services Department.
- The department does not recognize an affiliation between a youth group and an adult group. A youth group and an adult group can develop a working policy or agreement, provided the adult group has its own budget and executive, books all facilities necessary for its operation directly with the department and pays the applicable community adult rate.
- Recognized Social Service Organizations include all Registered Charitable Organizations (e.g. Canadian Cancer Society, Red Cross Society, etc.) and will be granted CSO status after they provide a letter on letterhead stating the purpose of their request and the benefit they provide to Vaughan residents.
- Contact and website information can be posted on the City of Vaughan website and Recreation Guide for heritage village fairs, minor and adult sports groups.
- Facility rental contracts will be granted in a fair, equitable, transparent and consistent manner based on the priority schedule as defined on the Facility Allocation Policy and in accordance with Council Approved User Fee Policy rates.
- The City of Vaughan reserves the right to request additional information at any time, act as a liaison for the group, be present at Annual General Meetings for minor sports and allocate facilities or services in kind according to the Facility Allocation Policy.
