

COVID-19 SOCIAL STORY

Everyone gets sick
sometimes

When I get sick
I stay home

Right now, many
people are sick

When I am sick,
I don't go to the
community centre

When people are sick,
I need to stay home to
keep myself & others safe

I need to practice good
hygiene to keep myself
& others safe

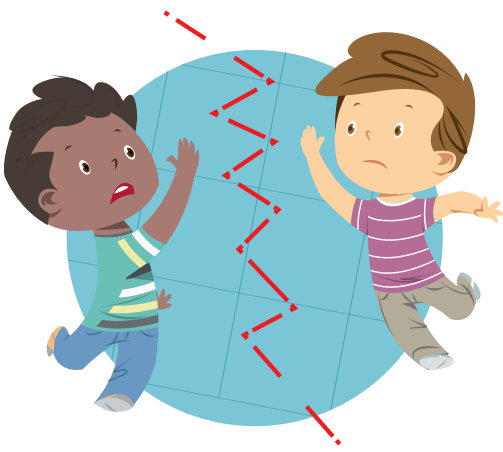

I can wash my hands
while I'm singing
happy birthday

I can use hand
sanitizer while
I'm counting to 20

I practice
physical distancing

I stay away from my friends

Sometimes, when people are sick, the places I like to go are closed to **keep me safe**

To be safe, I **stay home** & away from my friends

When the places I like to go get closed, they **need to be cleaned**

While the places I like to go get cleaned, I **do fun things** at home

I can listen to **music**

I can play with **puzzles** or **memory games**

I will be back soon to the community centre **when it is safe**
