

## DESIGN YOUR OWN BEACH

Have you ever thought about designing something? Now that it's summertime—the beach is a popular place to visit! And wouldn't it be fun to design your own beach? What would your beach look like? What kinds of things would you include in your beach design?

**Here are some suggestions**—a swim area, an ice cream stand, sand dunes, a place to build sandcastles, a dock for boats, picnic tables for families to have their food and snacks, a play area, a dog park by the beach. The list is endless!

# DESIGN YOUR OWN BEACH

**PLAN IT OUT.** Take a few minutes to write down some of your ideas for your beach. You can use things such as—toilet paper rolls, pipe cleaners, construction paper, or any craft supplies or materials you have at home. For example, add texture using crushed graham crackers for sand. Maybe make a diorama from a shoe box. It's up to you!
