

FAIRY TALE CHARADES

Print and cut out the **Fairy Tale Charade Cards** below and put them into a small pile. One at a time, each actor chooses a card, and then acts out that fairy tale character until the first person to guess the word or phrase gets a point. Remember that this is a game done in *pantomime*—so, no talking! You can use hand gestures and movement!

If you like, divide into teams before playing. Players from each team take turns pantomiming for their teammates. The first team to guess the word or phrase gets a point. Whoever has the most points wins.

Don't forget to use the following elements—facial expression, gestures, movement around the space you are using for the game!
