

# FAIRY TALE PRESS CONFERENCE

---

- One actor comes up with a famous fairy tale character that he or she wants to become. The character can be from an older or modern fairy tale.
- The child becomes that character by acting the same as that character would. Using their voice or accent—however they can only answer yes or no.
- The audience members interview the “famous fairy tale character”. They ask questions until they can guess who it is.

## Here are some questions that might be asked in an interview of the character:

- Do you have a family?
- Do you have a mother, or a father or fairy tale siblings?
- Do you wear a red cape, green clothing, a hat? (costume questions)
- Are you an animal character?
- Are you a queen, a prince, a king, or a princess?
- Do you live in a castle? In a forest? In a small house?
- Do you sing? Do you hunt? Do you like taking walks?

**VARIATION:** Play the same game but substitute fairy tale characters for superheroes! Then you can have a **Superhero Press Conference!**
