

FAIRY TALE TONGUE TWISTERS

What are tongue twisters you might ask? Well, they are fun word games that are also useful in helping to improve speech and pronunciation. Actors often recite tongue twisters to help warm up their voices.

Below are some funny tongue twisters that you can have some fun with! Practice saying them first in your normal voice, then in different kinds of voices—funny voice, mad voice, tired voice, quiet voice, soft voice. You can also try writing and reciting your own fairy tale tongue twister!!! **Use your imagination!**

A big black bug blew big blue bubbles.

Many mini mice make nice merry music.

Five fat frogs ate five furry flies.

Six ships send signals.

In a muggy marsh muskrat
munch at midnight.
