

MY FAVOURITE SHOW!!!

In the space below, write a few lines or a poem about a favorite show that you have seen. Describe what the show was about, who the characters were, what happened during the show and how you felt when you saw it.

Things to think about: what kind of show was it? Did you like it? Was it interesting, funny? Did it make you feel good? What were your favorite parts of the show? If you do this activity with another family member, you can compare your favorite show with theirs!
