

RIBBON OF SOUND

Sit in a circle. One person starts a sound. The next person picks it up and it travels around the circle, so it becomes a **ribbon of sound**.

Each person should pick it up and pass it on as quickly as possible. Transform it into another sound—with the person next to the one who started the first sound.

Practice using different types of sounds—soft, loud, quiet, noisy, high pitch, low pitch, funny, mysterious sounds. You can also do a variation of this game by adding a movement to your sound!

Think creatively! How many different types of sounds and movements can you do?
