

Fitness Member Check-in:

***Please note your 75-minute session will include check-in time, use of the fitness facility and departure.**

Welcome back! All City of Vaughan fitness centres are now open and ready to serve you! In order to reduce the spread of COVID-19, we have implemented many changes to our fitness centres to ensure your health and safety.

Prior to arriving at the facility, we ask that all fitness members complete the Provincial Public Health self-assessment.

Here is what the check in process will look like when arriving for your workout session:

1. The designated entry point will be the main entrance into the facility.
2. Proof of photo ID will be required (fitness membership card, driver's license, student card, etc.)
3. We accept 10 visit pass holders to book fitness sessions/workouts.
4. Fitness staff will welcome you and assist in completing the check-in process. The check-in process will include a temperature check.
 - A. If a temperature is above 37.8 Celsius, another check will be done 10 minutes later. If it is still above 37.8 Celsius, you will not be able to enter the facility.
 - B. Proof of a medical note/negative COVID test results will be required to be provided to the Fitness Coordinator before returning to the facility.
5. Masks are required upon entry, exit and when travelling throughout the facility. Masks do not need to be worn during physical activity.
6. A hand sanitizer station will be available before you proceed into the fitness centre.
7. Signage and floor markers will indicate the physical distancing requirements.
8. Doors will be open for up to 15 minutes after the start of your booking time. For your safety, doors will be locked after this time.
