Purpose

The purpose of this staff report is to advise members of Council of those matters dealt with under the Consolidated Purchasing Policy No 05.2.06 section 6.4.

Background - Analysis and Options

Consolidated Purchasing Policy No 05.2.06 section 6.4 provides Director of Purchasing authority for the award of contracts resulting from a request for tender upon recommendation from a Commissioner, where the total cost of any goods, services or construction exceeds one hundred thousand dollars (\$100,000) but does not exceed three hundred and fifty thousand dollars (\$350,000) and the following criteria have been met:

- The award is to the lowest priced compliant bidder
- The award of the contract is within the approved budget
- The award results from the normal tendering process of the City (i.e. open bidding through advertisements)
- The term of the contract is for a maximum of 4 years
- There is no litigation between the successful bidder and the City at the time of award and
- There are no bidder protests at the time of contract award.

As a consistent practice all bid results are individually reported to the members of Council via email communication soon after the bid closings. However following is a consolidated report of all award approvals made within \$100,000.00 to \$350,000.00 threshold:
